Return From A Far Country:

The Prodigal's Return: Its Lessons of Penitence and Pardon Rev. William RITCHIE (of Dunse.),1868 The Prodigal's Return: Its Lessons of Penitence and Pardon William Ritchie (Minister at Dunse.),1868 *Fellowship with God* Henry Miranda,2006-01-10 I wrote this book in the hopes of helping others find their walk with Christ a little easier The path we choose to follow as Christians may be hard and even seem difficult at times but it brings us closer to God This is a description of the path described by Jesus Christ backed by specific reference to scripture and providing clear answers to questions that many of us have It is easy to understand and proceeds in a logical manner to provide insight on how to walk the narrow path The book gives comfort to those who are in need of God s presence by giving clear descriptions of how the doors to the Kingdom of Heaven are always open It describes the presence of the Holy Spirit and aids in understanding our relationship with God and Jesus Christ This is for those that are interested in Christian faith The book is easy to read gives sound advice on understanding our relationship with Jesus Christ and is based on specific quotations from scripture

Better Than New Daniel H. Kiser,2014-05-29 It would be wonderful if every Christian could maintain the newness and wholeness of his or her salvation experience But the unfortunate reality is Christians do sin There may be a number of Josephs and Daniels within the ranks of Christendom who succeed in retaining a sterling character from start to finish Human experience however reveals that the greater part of God s family consists of people like David Samson Jonah Jacob and Simon Peter people who for one reason or another lose the enthusiasm spiritual strength and sensitivity that once characterized their lives Spiritual battles temptations disappointments and failures take their toll Harmful indiscretions cause painful bruising to the soul Prodigal sons and daughters abound But in spite of self inflicted wounds there is good news there is great news God s love and compassion abound even more His desire is not to discard damaged lives God s intention is to restore wayward sons and daughters to their proper place in His family The Father s plan is to make them better than new This book explores the process by which the better than new condition can be realized Eight Lectures on the Second Coming of Christ, and Allied Subjects, Etc William Trotter (of York.),1863 The Redeemers Return A.W Pink,2017-10-14 This book is designed mainly for those who are beginners in the study of prophetic and dispensational truth though should it fall into the hands of those who are looking for that blessed hope and the glorious appearing of our great God and Saviour Jesus Christ and who have perhaps for years been giving earnest heed to the more sure Word of prophecy we trust that it will afford meat in due season and stimulate praise to God for the marvelous and blessed prospect which His Word sets before us Many books have already appeared before the public presenting in clear and Scriptural language the various aspects of the subject of our Lord s Return and we hesitated long before we decided to add one more to the number The different chapters in this volume have been given by the writer in sermon and lecture form to numerous audiences both in this country and in England and it is only the repeated requests of many of those who have heard these addresses which has caused us to now

set them down in writing **Eight lectures on prophecy, by W. Trotter and T. Smith** William Trotter,1865 **Guiding Gideon** Christopher Basil Brown,2015-07-30 Guiding Gideon chronicles the encounters between Gideon a young man in his thirties in the midst of crisis and his spiritual guide Julian With Julian accompanying him to attend prayerfully to the life directly before him Gideon traverses the troubled landscape of his interior life where he encounters grace his deepest wounds become sacred and he is invited into fuller participation in the kingdom of God Julian reflects prayerfully on each session conscious that he is a privileged witness to the restorative movements of the Spirit within Gideon s life and that the same Spirit is forming him in the way of Jesus Guiding Gideon is for all who desire to become more attentive to their formation in the likeness of Christ It is also for spiritual guides who want their mentoring counseling pastoral care or spiritual directing to reflect and embody the way of Jesus Written as a narrative Guiding Gideon offers prayerful reflection within the context of guiding a fictional pilgrim and also invites readers to witness the formation of a fictional guide Reflective of the contemplative vision of New Monasticism Guiding Gideon models a prayer action praxis inspired by Jesus Sermon on the Mount *The Case for Progressive Dispensationalism* Robert Saucy,2010-12-21 Debate abounds on the future of Israel and Israel s relation to the church not only between dispensationalists and non dispensationalists but among dispensationalists themselves In the past that debate has sometimes been acrimonious and proponents of the differing viewpoints have found little common ground In recent years however views have been modified and developed so that the dialogue is increasingly by cooperation and a mutual exploration of diverse ideas The Case for Progressive Dispensationalism is intended to enlighten the debate in that same irenic spirit The book is solidly dispensational in perspective in affirming that the Old Testament prophecies are completely fulfilled in the future that the nation of Israel has a prophetic future and that Israel is not the church Dr Saucy departs from classic dispensationalism however in showing that 1 the fulfillment of Old Testament prophecy begins in the present church age and 2 the church is not a parenthesis in God s program but represents a continuity with the Old Testament messianic program This modified dispensationalism seeks to satisfy many of the objections of non dispensational approaches to eschatology while retaining the crucial elements of biblical interpretation that characterize dispensational thought **Glad Tidings** Henry Dana Ward,1838
