Return From Heaven:

Return From Heaven Carol Bowman, 2009-10-06 What if you could see a loved one who has died not in a future spiritual realm but here and now in this lifetime It is possible says Carol Bowman author of *Children's Past Lives* and a pioneer in reincarnation studies Based on in depth research and direct observation of very young children she shows in this groundbreaking book how common it is for beloved relatives to reincarnate into the same family Typical families share how their children some as young as two and still in diapers speak spontaneously of intimate details from the lives of a family member they never knew These true stories shed new light on age old questions of family relationships Do we choose our parents What relationships survive death What happens to the soul after a miscarriage or abortion Bowman offers hope for anyone who has lost a beloved relative and longs to be reunited again

Life in Christ William Robert West, 2015-09-29 What do you believe about souls There are many very different doctrines taught in the world today concerning souls that are believed to be in all humans By most a soul is believed to be something that is wholly apart from the person a soul is in that a soul is something that is that is believed to be complete in its self without the person it will live after the person it is in is dead it is believed that a soul will exist forever without the person it will never be dead therefore a soul cannot be resurrected from the dead It is believed that a soul must live someplace forever and it will live either in Heaven or Hell even if there is no resurrection The doctrine of unconditional immortality of a deathless soul being in a person and that soul leaving that person at the death of the person makes it impossible for Christ to have give His life to save that soul from death if a soul had immortality it would already have life and could never not have life all Christ could do is give it a reward or punish it
