Return Of The Millenium:

The Return Elbert D. Charpie, 2014-05-09 Whether you call it the return of Christ the Second Coming or the Rapture there has been so much debate over the centuries about what the Bible teaches Many have concluded the subject of Jesus return is too complicated or too confusing to understand One reader said Reading *The Return* was my light bulb moment Although God s master pieces can be complicated His past present and future master plan for His creation is quite simple and easy to understand *The Return* grips you with an almost unbelievable and detailed story of Christ s return then shines the light on what the Bible says rather than trusting the blind to lead the blind God is not the author of confusion So why have we been so confused for so long *Until now Begins* with a story of how the return of Christ could happen and then explains the scriptures and compares the different views of Christ s return *The Post Millennial Return* Norman B. Willis, 2009-01-04 This study will be replaced by Revelation and the End Times It contains good research but the conclusions will change in the Revelation study *The Redeemer's Return* Arthur Walkington Pink, 1918 **The Fathers on the Future: A 2nd-Century Eschatology for the 21st-Century Church** Michael J. Svigel, 2024-11-05 Dive into the classic eschatology of Irenaeus of Lyons with *The Fathers on the Future* as you unpack key truths untangle misunderstandings and get a deeper understanding of this balanced and biblically sound end times framework Many today with an interest in the end times face a problem they have forgotten the past Knowing the history of eschatology is key to understanding its importance how we interpret our faith and our outlook on God and humanity So why do so many overlook it and what can we do to correct this *The Fathers on the Future* uses a thorough exegetical and theological analysis to defend the foundation and structure of the second century premillennial futurist eschatology of Irenaeus of Lyons and other church fathers It makes a case for a contemporary Irenaeian premillennial eschatology arguing that it is a reliable framework for a biblically defensible theologically balanced and historically informed eschatology *The Fathers on the Future* includes these key features Restores historical perspective Recovers the forgotten roots of early Christian eschatology emphasizing the teachings of Irenaeus of Lyons and other church fathers Biblically grounded framework Offers a well supported case for a biblically defensible premillennial eschatology balancing theology and history Clarifies and corrects Clarifies complex aspects of early eschatology strengthens key theological points and corrects missteps Fresh yet ancient approach Presents an eschatological perspective that is new to modern readers but deeply rooted in ancient Christian traditions *The Fathers on the Future* begins with the belief that Irenaeus and other early church fathers represented a widespread and well developed eschatology inherited from those who were close associates of the apostles It then explores some of features of that early eschatology clarifying obscure points strengthening some elements and correcting a few missteps By looking back to Irenaeus and the eschatological emphases of his age this book provides a new approach to eschatology today new to contemporary readers but ancient in its original perspective **A People Ready for the Return of Jesus** Emilio B. Knechtle, Charles J.

Sohlmann,1997 **Revelations of the End** Dr. Robert "Andy" Gowins,2025-02-05 Revelations of the End A Fresh Look at an Ancient Eschatology is not a traditional chapter and verse breakdown of the major themes of the New Testament book of Revelation It is however an eschatological commentary that utilizes the framework of the book of Revelation to revisit the traditional and orthodox end time teachings of the church for most of its history The book attempts to address the eschatological expectations of the early first century church for whom this apocalyptic and prophetic letter was originally written It seeks to explain the Old Testament eschatological expectations through the structure of New Testament eschatological revelations as expressed through the letter of Revelation This eschatological commentary is an attempt to revisit the biblical historical and orthodox teachings of the church concerning matters of the last days *Heaven on Earth* Martin Spence,2015-04-20 In nineteenth century Britain a large number of prominent Anglican and Presbyterian Evangelicals rejected the idea that salvation meant going to heaven when you die Instead they proposed that God would establish his kingdom on earth renewing the creation and reanimating embodied humans to live in a world of science and progress This book introduces the writings and activities of these women and men among whom were counted the ardent social reformer Lord Shaftesbury the highly respected clergyman Edward Bickersteth the popular author Charlotte Elizabeth Tonna and the General Secretary of the Evangelical Alliance Thomas Rawson Birks The book shows that the catalyst for such theological revisionism was the end times doctrine known as premillennialism While commonly characterized as a gloomy and sectarian belief the book argues that premillennialism in Victorian Britain was actually an optimistic and often liberalizing creed It dissolved older Evangelical assumptions about the dissimilarities between time and eternity body and soul heaven and earth The book demonstrates that far from being eccentric pessimists premillennialists were actually pioneers of trends in nineteenth century Christian theology that stressed the importance of the incarnation prioritized social justice and even entertained the idea of universal salvation [Revelation 1-22 MacArthur New Testament Commentary Two Volume Set](#) John MacArthur,1999-04-15 This package includes the complete two volume set of the Book of Revelation from the MacArthur New Testament Commentary series Revelation 1 11 and Revelation 12 22 The MacArthur New Testament Commentary series continues to be one of today s top selling commentary series These commentaries from respected Bible scholar and preacher John MacArthur give a verse by verse analysis in context and provide points of application for passages illuminating the biblical text in practical and relevant ways Revelation 1 3 says Blessed is the one who reads the words of this prophecy and blessed are those who hear it and take to heart what is written in it because the time is near That blessing may be hard to receive with the Book s shrouded prophecy and eschatological mysteries confusing scholar and lay reader alike MacArthur pulls back the veil and reveals more of what God s Word has to say to us in Revelation covering volatile topics as The rapture the millennial kingdom and the Anti Christ These volumes will open your eyes to receive the blessing promised in Revelation s opening verses **Rightly Dividing the Bible Volume One** David E Walker,2018-01-10 An extensive yet

simple and easy to read book about how to properly interpret the Bible Dr Walker has dedicated his time and effort in thorough research and answers most questions about dispensations and dispensationalism Upon reading these volumes the reader will find himself not only well informed but also with a great wealth of reference material for future use Dr David Peacock Pastor Bible Believers Baptist Jacksonville Florida GET THE BACKGROUND The excuse that there are so many interpretations of the Bible is exposed with a clear concise defining of biblical terms using the Bible itself to define those terms DISCOVER THE HISTORY Learn about the men manuscripts and movements that have shaped views of Bible interpretation Find out who really believed the Bible and those who merely used the Bible to support their opinions UNLOCK THE PROPHECIES Many prophecies are unraveled and shown how they relate to the return of Christ the church and the nation of Israel Federal Energy Regulatory Commission Reports United States.
