Silvestri**

Returning The Gift:

Returning the Gift Rebecca Colesworthy, 2018 What is a gift What do gifts mean and do Drawing on Marcel Mauss's 1925 essay this volume studies novels autobiographical texts aesthetic treatises and political writings by Virginia Woolf Jean Rhys Gertrude Stein and H D to explore the idea of the gift in Modernist literature

Living with Separation in China Charles Stafford, 2003-09-02 First Published in 2004 Routledge is an imprint of Taylor Francis an informa company

The Gift in the Economy and Society Stefan Kesting, Ioana Negru, Paolo Silvestri, 2020-12-28 Mainstream economics offers a perspective on the gift which is constructed around exchange axioms of self interest instrumental rationality and utility maximisation concepts that predominate within conventional forms of economic analysis Recognising the gift as an example of social practice underpinned by social institutions this book moves beyond this utilitarian approach to explore perspectives on the gift from social and institutional economics Through contributions from an international and interdisciplinary cast of authors the chapters explore key questions such as what is the relationship between social institutions on the one hand and gift exchange reciprocity on the other What are the social mechanisms that underpin gift and gift giving actions And finally what is the relationship between individuals societies gift giving and cooperation The answers to these questions and others serve to highlight the importance of the analysis of gift in economics and other social sciences The book also demonstrates the potential of the analysis of the gift to contribute to solving current problems for humanity at various levels of social aggregation This key text makes a significant contribution to the literature on the gift which will be of interest to readers of heterodox economics social anthropology philosophy of economics sociology and political philosophy

Living Water Manitzá Kotzé, Kobus van der Walt, 2023-02-23 Water will undoubtedly become an ever more crucial locus of academic reflection as Christiana Peppard's concern that wars of the future will be fought over water not oil 2014 stresses Increasing water shortages worldwide and global warming of water in particular the salt water of the oceans beg further reflection from natural and agricultural sciences the legal field and also from theology As a basic human right water is also closely connected to peace and justice issues This book is an interdisciplinary undertaking looking at water as a theological symbol in the fields of theology natural and agricultural sciences and law Providing reflections from a variety of disciplines within theology as well as from other disciplines such as natural sciences and law from the South African context this book makes a valuable contribution to knowledge in this field

The Gift Aafke E. Komter, 1996 What moves us to give gifts to other people The Gift brings together perspectives on gift exchange and reciprocity from different social scientific disciplines The first part of this book contains anthropological and sociological classics on gift giving and reciprocity In the second part the focus is on social psychological theories and on empirical research on gift giving in Western society Finally the main concepts underlying gift exchange reciprocity self interest and altruism are discussed Here the focus is on fundamental assumptions about human nature Altruism and self interest turn out to be much more interwoven than we are inclined to think

Returning The Gift Introduction

In today's digital age, the availability of Returning The Gift books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Returning The Gift books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Returning The Gift books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Returning The Gift versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Returning The Gift books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Returning The Gift books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Returning The Gift books and manuals is Open

Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Returning The Gift books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Returning The Gift books and manuals for download and embark on your journey of knowledge?
