Reunion Of Souls:

Souls Reunited Sue Wakefield,2007-06-08 This is a story about a past life as communicated to me by my spirit guide initially through automatic writing thirteen years ago which came as a complete surprise to all involved and more recently through clairvoyance which again came as a surprise after a period of nine years during which there was no contact This story is set in a period of history that is referred to as the Dark Ages and involves a partnership which spans the centuries of time It begins in the eighth century when little is known about life in England although it appears to be a relatively peaceful period in a history of tumultuous times It is a story about Wulfgand a Saxon warrior farmer who was born in Germany and who eventually settled in a small Cornish village and Griselda whom he met there fell in love with and married Griselda a spirit stayed in the land where they lived after she died and was recalled several centuries later by a gentleman practising white witchcraft or pagan rituals on the same land This gentleman brought forward the spirits of the earth and so he was brought together with the spirit of Griselda My spirit guide today is Wulfgand and I was his wife Griselda in our past life The gentleman carrying out the pagan practices was Eddie my husband in this life My investigations and research into corroboration of given facts from spirit have been rewarding and have led me to retrace my steps to the village in West Cornwall where I once lived This is a story of rebirth reunion and an intertwining of souls up to the present day **Reunion**
