Eliminating the Bottlenecks United States. Congress. Senate. Committee on Homeland Security and Governmental Affairs, 2012 **Revelation** Lynn R. Huber, Gail R. O'Day, 2023-11-23 While feminist interpretations of the Book of Revelation often focus on the book's use of feminine archetypes mother bride and prostitute this commentary explores how gender sexuality and other feminist concerns permeate the book in its entirety By calling audience members to become victors Revelation's author John commends to them an identity that flows between masculine and feminine and challenges ancient gender norms This identity befits an audience who follow the Lamb a genderqueer savior wherever he goes In this commentary Lynn R Huber situates Revelation and its earliest audiences in the overlapping worlds of ancient Asia Minor modern Turkey and first century Judaism She also examines how interpreters from different generations living within other worlds have found meaning in this image rich and meaning full book The American Congress Steven S. Smith, Jason M. Roberts, Ryan J. Vander Wielen, 2019-07-17 The tenth edition of this respected textbook provides a fresh perspective and a crisp introduction to congressional politics Informed by the authors Capitol Hill experience and scholarship the new edition reflects changes in Congress resulting from the 2018 elections and such developments as a new majority party in the House new campaign spending numbers and election outcomes rules committees leaders and budget developments and recent political science literature that provides new perspectives on the institution The text emphasizes the recent developments and includes important learning aids including lists of key term discussion questions and suggested further reading Alongside clear explanations of congressional rules and the lawmaking process there are examples from contemporary events and debates that highlight Congress as a group of politicians as well as a lawmaking body Gang of Five Nina J. Easton, 2001-02-28 In *Gang of Five* bestselling author Nina J Easton adds an important element to the history of American politics in the last thirty years This is the story of the other less well known segment of the baby boom generation These are young conservative activists who arrived on campus in the 1970s in rebellion against everything sixties and went on to overturn the political dynamics of the country in the 1980s and 1990s They've been waging what Newt Gingrich called a war without blood for three decades *Gang of Five* portrays the intertwining careers of five major figures BILL KRISTOL the Harvard educated elitist and publisher of the *Weekly Standard* is the liberal establishment's worst nightmare a witty erudite Rightist who was a leading force behind the demise of the Clinton health care plan the historic reform of welfare and the decision of House Republicans to impeach the president RALPH REED the hardball politico who helped turn an organization called the College Republicans into a kind of communist cell of the Right in the 1990s tried to give the Religious Right a softer face as leader of the Christian Coalition but was thwarted by his thirst for power and the narrow fundamentalism of his activist followers CLINT BOLICK a leading force in the spread of school choice programs and the anti affirmative action strategist who sank Lani Guinier's appointment is the idealist who seeks to convince civil rights leaders that his legal work on

behalf of disadvantaged minorities is sincere and that liberal programs hurt the people they are meant to help GROVER NORQUIST the market Leninist who divides the world into good and evil is at the hub of Hillary Clinton's vast right wing conspiracy and is the architect of a no new taxes pledge signed by all major Republican candidates in the 1990s DAVID MCINTOSH the policy wonk who took the movement's war on Washington to Congress as leader of the House Republican freshmen during the Gingrich Revolution pushed his party toward confrontation with the White House and is now running for governor in Indiana In contrast to earlier generations of conservatives these leaders and their allies tasted success first with Ronald Reagan's twin victories in the 1980s and then in the 1990s with the Republican capture of Congress They play to win and have had a hand in every major insurrection from the Right over the past two decades from abortion politics to government shutdowns to political muckracking No politician can ignore their agenda or escape the new hardball rules they've written for national politics

This Fight Is Our Fight Elizabeth Warren, 2017-04-18 1 New York Times bestseller The fiery U S Senator from Massachusetts and bestselling author offers a passionate inspiring book about why our middle class is under siege and how we can win the fight to save it Senator Elizabeth Warren has long been an outspoken champion of America's middle class and by the time the people of Massachusetts elected her in 2012 she had become one of the country's leading progressive voices Now at a perilous moment for our nation she has written a book that is at once an illuminating account of how we built the strongest middle class in history a scathing indictment of those who have spent the past thirty five years undermining working families and a rousing call to action Warren grew up in Oklahoma and she's never forgotten how difficult it was for her mother and father to hold on at the ragged edge of the middle class An educational system that offered opportunities for all made it possible for her to achieve her dream of going to college becoming a teacher and later attending law school But now for many these kinds of opportunities are gone and a government that once looked out for working families is instead

captive to the rich and powerful Seventy five years ago President Franklin Roosevelt and his New Deal ushered in an age of widespread prosperity in the 1980s President Ronald Reagan reversed course and sold the country on the disastrous fiction called trickle down economics Now with the election of Donald Trump a con artist who promised to drain the swamp of special interests and then surrounded himself with billionaires and lobbyists the middle class is being pushed ever closer to collapse Written in the candid high spirited voice that is Warren s trademark This Fight Is Our Fight tells eye opening stories about her battles in the Senate and vividly describes the experiences of hard working Americans who have too often been given the short end of the stick Elizabeth Warren has had enough of phony promises and a government that no longer serves its people she won t sit down she won t be silenced and she will fight back
