Morality and Spirituality in the Contemporary World

Chandana Chakrabarti, 2012-12-07 The contemporary world faces a number of problems that are both deep seated and interrelated since they arise from the very nature of technological society The environment upon which all life depends is seriously threatened by climate change rising sea levels pollution overpopulation resource depletion and increased risks of droughts forest fires floods and other extreme weather events Environmental degradation is intimately connected to the consumer lifestyle of developed countries This lifestyle promotes materialism entertainment and hedonistic superficiality that ultimately lead to moral corruption Our insensitive and destructive attitude towards nature is not isolated or unrelated to other problems of social justice The environmental crisis reflects human structures of domination that include political and economic exploitation racism sexism and ageism These challenges are immense and solutions to them will require a renewed dedication to moral reflection and a commitment to social justice This book discusses the challenges in connection with topics such as human rights economic exploitation and inequality environmental protection globalization global food justice technology gender equality and ageism It provides a plurality of moral and spiritual perspectives including Hinduism Buddhism Daoism and Christianity that offer guidance in finding responses that are both possible and reasonable

Politics of Guilt & Pity R. J. Rushdoony, 2019-07-17 From the foreword by Steve Schlissel Rushdoony sounds the clarion call of liberty for all who remain oppressed by Christian leaders who wrongfully lord it over the souls of God's righteous ones I pray that the entire book will not only instruct you in the method and content of a Biblical worldview but actually bring you further into the glorious freedom of the children of God Those who walk in wisdom's ways become immune to the politics of guilt and pity Man has trampled God's law under foot In doing so he has misused himself and trampled on the God given rights of his fellowman He is conscious of his guilt and seeks self justification through self atonement The author makes it perfectly clear that there is only one way of escape from present slough and despair It is in turning in heartfelt repentance to God who has already provided atonement in the sacrifice of His Son And true repentance includes a return to the doing of God's will as revealed in God's Word the Bible
