Exiting Indochina Richard H. Handbook of Japan-Russia Relations Kazuhiko Togo, Dmitry Streltsov, 2025-10-01 The history of official relations between Russia and Japan encompasses a period of a little more than one hundred and fifty years but stretch back unofficially for at least double that amount of time But for both Russia and Japan these relations have never been a key element of foreign policy indispensable or intrinsically important for their diplomatic strategy It is also noteworthy that for most of this time Russia and Japan were enemies rivals competitors For both parties the significance of bilateral relations to
