Baltimore Revisited P. Nicole King,Kate Drabinski,Joshua Clark Davis,2019-08-09 Nicknamed both Mobtown and Charm City and located on the border of the North and South Baltimore is a city of contradictions From media depictions in *The Wire* to the real life trial of police officers for the murder of Freddie Gray Baltimore has become a quintessential example of a struggling American city Yet the truth about Baltimore is far more complicated and more fascinating To help untangle these apparent paradoxes the editors of *Baltimore Revisited* have assembled a collection of over thirty experts from inside and outside academia Together they reveal that Baltimore has been ground zero for a slew of neoliberal policies a place where inequality has increased as corporate interests have eagerly privatized public goods and services to maximize profits But they also uncover how community members resist and reveal a long tradition of Baltimoreans who have fought for social justice The essays in this collection take readers on a tour through the city s diverse neighborhoods from the Lumbee Indian community in East Baltimore to the crusade for environmental justice in South Baltimore *Baltimore Revisited* examines the city s past reflects upon the city s present and envisions the city s future **The House On South Street - Revisited** JOHN L. BISOL,2016-02-14 Mark Twain said Truth is stranger than fiction but it is because Fiction is obliged to stick to possibilities Truth isn t It s been over a decade since we last visited *The House On South Street* More of its background story has been revealed in dreams in fact and in confidence The missing pieces start to fall into place as the real characters are unmasked The house continues to brood in its somber way and yes it still kills **The Settlement House Movement Revisited** Gal, John,Köngeter, Stefan,2020-12-16 This book explores the role and impact of the settlement house movement in the global development of social welfare and the social work profession It traces the transnational history of settlement houses and examines the interconnections between the settlement house movement other social and professional movements and social research Looking at how the settlement house movement developed across different national cultural and social boundaries
