Transforming Your Church Into a House of Prayer P. Douglas Small, 2006 **Facing West** David R. Swartz, 2020 In 1974 nearly 3 000 evangelicals from 150 nations met at the Lausanne Congress on World Evangelization Amidst this cosmopolitan setting and in front of the most important white evangelical leaders of the United States members of the Latin American Theological Fraternity spoke out against the American Church Fiery speeches by Ecuadorian Ren Padilla and Peruvian Samuel Escobar revealed a global weariness with what they described as an American style of coldly efficient mission wedded to myopic right leaning politics Their bold critiques electrified Christians from around the world The dramatic growth of Christianity around the world in the last century has shifted the balance of power within the faith away from the traditional strongholds of Europe and the United States to the Global South To be sure Western missionaries have carried religion abroad but the line of influence has often run the other way David R Swartz demonstrates that evangelicals in the Global South spoke frankly to American evangelicals on matters of race imperialism theology sexuality and social justice From the left they have pushed for racial egalitarianism ecumenism and more substantial development efforts From the right they have advocated for a conservative sexual ethic They forced American Christians to think more critically about their own assumptions The United States is just one node of a sprawling global network that includes Korea India Switzerland the Philippines Guatemala Uganda and Thailand Telling stories of the diverse array of evangelicals around the world Swartz shows that evangelical networks don't only extend outward but back home from the ends of the earth **Revival!** C. Peter Wagner, C Peter Wagner, PH.D., 1999-05 **The Future War of the Church** Chuck D. Pierce, Rebecca Wagner

Sytsema,2007-09-04 In The Future War of the Church Chuck Pierce and Rebecca Wagner Sytsema shared a vision from God They showed lay people intercessors and church leaders how to advance God s Kingdom and use worship prayer and spiritual warfare to overcome the lawlessness and violence in our society and the world during the current 7 year season of war from 2001 2008 Readers will not want to miss this revised and updated edition with a brief historical background at the beginning of each chapter which offers an update on the prophetic words from 2001 and what came to pass The authors urge readers to press on as the Lord is still calling His people to come against works of darkness with boldness and power from on high No demonic force including lawlessness will be able to stand against a fully functioning Body of Christ Operating properly in the gifts will lead us back to love where we can work together according to the heart of God *Urban Revival: Dr. Mishael Carson*,2024-12-16 Are you longing to see your city transformed into a beacon of hope faith and purpose Do you believe that God has a divine plan for urban centers to thrive spiritually socially and economically Urban Revival God s Blueprint for Transforming Cities reveals the powerful strategies and biblical principles needed to ignite lasting change in cities around the world Cities are the heartbeat of culture innovation and community yet many urban areas face challenges like poverty violence and spiritual decline In Urban Revival you ll discover how God s Word provides a comprehensive blueprint for reclaiming cities for His glory Drawing on profound biblical insights and real world examples this book demonstrates how believers can partner with God to bring renewal to neighborhoods communities and entire cities What if your city became a living testimony of God s love justice and restoration Through this book you will Learn biblical principles for urban transformation based on Nehemiah Jeremiah and Jesus ministry Understand the spiritual dynamics affecting cities and how to address them through prayer and action Discover strategies for building strong communities fostering economic renewal and advancing social justice Gain inspiration from case studies of cities around the world that have experienced God s transforming power Whether you re a church leader community organizer or passionate believer Urban Revival equips you to take meaningful steps toward creating vibrant God centered urban environments Your city s revival starts with you Don t wait to become a catalyst for change Get a copy of Urban Revival God s Blueprint for Transforming Cities today and join the movement of believers working to transform cities for God s glory Together we can turn urban challenges into opportunities for His Kingdom *Urban Conquest Dr. Mishael Carson*,2025-02-16 Welcome to Urban Conquest A 30 Day Prophetic Prayer Declaration for Taking Cities for Christ In this book you are invited on a transformative journey one that calls you to engage in the spiritual warfare and intercessory prayer necessary to reclaim our cities for the Kingdom of God Cities are much more than collections of buildings and streets they are vibrant communities cultural hubs and centers of influence that shape the lives of millions Yet beneath their bustling surface every city is a battleground where spiritual forces vie for control As believers we have been commissioned by Christ to take our cities for Him to bring His light into every dark corner to dismantle strongholds and to establish His rule over every sphere of society Over the next 30 days this book will guide you

through a series of prophetic prayer declarations designed to activate God's transformative power in your community. Each day's declaration is rooted in Scripture and inspired by the insights gleaned from works like *Urban Revival: God's Blueprint for Transforming Cities* and the *Spiritual Mapping Workbook*. Together, these declarations form a comprehensive blueprint for spiritual warfare and urban revival, one that equips you to stand in the gap, break down barriers, and usher in God's Kingdom in tangible, measurable ways. Throughout this journey, you will be encouraged to pray boldly, stand on the promises of God's Word, and declare His truth over every aspect of your city: its government, education, economy, family, arts, and media. Engage Spiritually: Recognize that cities are not only physical entities but also spiritual territories where forces of darkness have taken root. Through prophetic prayer, you have the authority to dismantle these strongholds. Partner in Unity: Join with other believers in a unified intercession, knowing that when two or more agree in prayer, the heavens respond. Our collective efforts are a powerful catalyst for transformation. Walk in Victory: Embrace the victory of Jesus Christ, who has overcome every obstacle. As you declare these truths, remember that you are more than a conqueror by the power of His love. Each day's declaration builds on the previous one, creating a cumulative impact that is designed not only to transform your own heart but also to ignite revival throughout your city. As you move through these 30 days, allow the Holy Spirit to guide your prayers and renew your passion for urban transformation. This is not merely a devotional exercise; it is a strategic call to action for every believer who desires to see their community reflect the glory and power of God. May this book inspire you to rise up, stand firm, and boldly declare the promises of God over your city. Let your heart be filled with the vision of a transformed urban landscape, a place where the light of Christ shines brightly, where every soul experiences His redeeming love, and where His Kingdom is advanced on earth as it is in heaven. Welcome to the battle. Welcome to the breakthrough. Welcome to Urban Conquest.

The Best is Yet Ahead Chuck D. Pierce, Rebecca Wagner Sytsema, 2002-02. God has a wonderful destiny for every life, but many Christians die never having accomplished all that God has for them. Pierce and Sytsema take a deeper look into why so many miss their divine calling. This book is filled with rich, fresh insight for finding God's direction in life, family, and territory.

Spiritual Mapping in the United States and Argentina René Holvast, 2009. Referring to U.S. Evangelicalism and Neo-Pentecostalism, this book presents a comprehensive historical description of the movement and concept of Spiritual Mapping, with special attention to theological and anthropological concepts. The result is a fascinating picture of modern Christian Americanism.
