Janet Hunter

Revolt In Japan The Young Officers And The February 26 1936 Incident:

Revolt in Japan Ben-Ami Shillony, 2015-03-08 Reverse the Emperor Destroy the Traitors armed with this slogan on February 26 1936 Rebellious Japanese troops led by members of the Young Officers Movement seized the center of Tokyo and murdered several prominent officials The Young Officers wanted a Showa Restoration whereby political and economic power would be restored to the Emperor and people The privileged classes were to be abolished wealth redistributed and the state rather than big business was to control the economy Although the rebellion was suppressed in four days it dramatized ideological clashes and factional strife within the Imperial Army and the tensions between civil and military authorities The incident still stirs emotions in Japan and fascinates Japanese writers Mishima Yukio the famous novelist who committed suicide by seppuku in 1970 was a great admirer of the Young Officers This exciting account by Ben Ami Shillony includes the first full examination of the backgrounds and ideologies of the leaders and discusses the crucial roles of such figures as the Emperor himself and his brother Prince Chichibu Originally published in 1973 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Japan Prepares for Total War Michael A. Barnhart, 2013-02-14 The roots of Japan's aggressive expansionist foreign policy have often been traced to its concern over acute economic vulnerability Michael A Barnhart tests this assumption by examining the events leading up to World War II in the context of Japan's quest for economic security drawing on a wide array of Japanese and American sources Barnhart focuses on the critical years from 1938 to 1941 as he investigates the development of Japan's drive for national economic self sufficiency and independence and the way in which this drive shaped its internal and external policies He also explores American economic pressure on Tokyo and assesses its impact on Japan's foreign policy and domestic economy He concludes that Japan's internal political dynamics especially the bitter rivalry between its army and navy played a far greater role in propelling the nation into war with the United States than did its economic condition or even pressure from Washington Japan Prepares for Total War sheds new light on prewar Japan and confirms the opinions of those in Washington who advocated economic pressure against Japan

The Manchurian Crisis and Japanese Society, 1931-33 Sandra Wilson, 2003-08-27 This book explores the reactions to the Manchurian crisis of different sections of the state and of a number of different groups in Japanese society particularly rural groups women's organizations and business associations It thus seeks to avoid a generalized account of public relations to the military and diplomatic events of the early 1930s offering instead a nuanced account of the shifts in public and popular opinion in this crucial period

Political Bribery in Japan Richard H. Mitchell, 1996-09-01 Scholars often use the term structural

corruption when discussing modern Japan's political system a system that forces politicians to exchange favors with businessmen in return for funds to finance their political careers Scholars argue that the origins of corruption can be found in the iron triangles formed by politicians bureaucrats and businessmen during the postwar era or during the Pacific War years In this examination of malfeasance in Japanese public office Richard Mitchell systematically surveys political bribery in Japan's historical and cultural contexts from antiquity to the early 1900s Mitchell's narrative serially considers scandals involving courtiers in the ancient imperial government corruption among the shogun's samurai officials and political bribery among bureaucrats and party politicians in the mid nineteenth century Mitchell concludes that bribery was as ubiquitous in premodern Japan as it has been in recent times Focusing on the period since 1868 Mitchell discusses in fascinating detail changes in political bribery in the wake of suffrage expansion estimates of the enormous amount of campaign money needed to win a Diet seat in both the prewar and postwar periods and the low conviction rate of suspected takers of bribes Here is a highly readable and reliable survey of an important yet largely neglected topic in English language studies of Japanese political history

Storm Clouds over the Pacific, 1931-1941 Peter Harmsen, 2020-01-10 An excellent primer about World War II in Asia prior to the involvement of the United States part one of a fascinating history trilogy New York Journal of Books War in the Far East is a trilogy of books offering the most complete narrative yet written about the Pacific Theater of World War II and the first truly international treatment of the epic conflict Historian Peter Harmsen weaves together a complex and revealing narrative including facets of the war that are often overlooked in historic narratives He explores the war in subarctic conditions on the Aleutians details the mass starvations in China Indochina and India and offers a range of perspectives on the war experience from the Oval Office to the blistering sands of Peleliu Storm Clouds Over the Pacific begins the story long before Pearl Harbor showing how the war can only be understood if ancient hatreds and long standing geopolitics are taken into account Harmsen demonstrates how Japan and China's ancient enmity led to increased tensions in the 1930s which in turn exploded into conflict in 1937 The battles of Shanghai and Nanjing were followed by the Battle of Taierzhuang in 1938 China's only major victory A war of attrition continued up to 1941 the year when Japan made the momentous decision to pursue all out war The infamous attack on Pearl Harbor catapulted the United States into the war as the Japanese also overran British and Dutch territories throughout the western Pacific

In the Ruins of the Japanese Empire Barak Kushner, Andrew Levidis, 2020-02-06 In the Ruins of the Japanese Empire concludes that early East Asian Cold War history needs to be studied within the framework of post imperial history Japan's surrender did not mean that the Japanese and former imperial subjects would immediately disavow imperial ideology The end of the Japanese empire unleashed unprecedented destruction and violence on the periphery Lives were destroyed names of cities altered collaborationist regimes which for over a decade dominated vast populations melted into the air as policeman bureaucrats soldiers and technocrats offered their services as nationalists revolutionaries or communists Power did not simply change

hands swiftly and smoothly In the chaos of the new order legal anarchy revenge ethnic displacement and nationalist resentments stalked the postcolonial lands of northeast Asia intensifying bloody civil wars in societies radicalized by total war militarization and mass mobilization Kushner and Levidis s volume follows these processes as imperial violence reordered demographics and borders and involved massive political economic and social dislocation as well as stubborn continuities From the hunt for traitors in Korea and China to the brutal suppression of the Taiwanese by the Chinese Nationalist government in the long forgotten February 28 Incident the research shows how the empire s end acted as a catalyst for renewed attempts at state building From the imperial edge to the metropole investigations shed light on how prewar imperial values endured during postwar Japanese rearmament and in party politics Nevertheless many Japanese actively tried to make amends for wartime transgressions and rebuild Japan s posture in East Asia by cultivating religious and cultural connections This third book to emerge from Barak Kushner s massive collaborative research project on the dissolution of Japan s empire lays out a new geography of turning the ruins into social economic political and cultural opportunities across Northeast Asia and with lasting consequences This book will change the way we research and teach 1945 in a global context Franziska Seraphim Boston College Writing imperial history linking the prewar to postwar is perilous because it must resist domestic taboos and social pressures Today s global society where history incites extreme nationalism and serves as catalyst for conflict calls for the creation of a new history of the end of empire as Kushner and his team have done in this volume ASANO Toyomi Waseda University **Japan, Turkey and the World of Islam** Selçuk Esenbel,2011-02-04 Widely known for her writings on Islam with a particular focus on the transnational history of politics in Islam and Japan this volume brings together twenty of the author s key essays thematically structured as Japan and Islam Japanese Ottoman Relations and Japanese Turkish Interaction and Reflections on Tokugawa Japan from Turkey Awarded the Japan Foundation Special Prize for Japanese Studies in 2007 Sel uk Esenbel s volume will provide an invaluable reference resource for current and future research in an increasingly important context **Explaining Auschwitz and Hiroshima** Richard J. B. Bosworth,2002-01-31 First published in 1993 Routledge is an imprint of Taylor Francis an informa company **Concise Dictionary of Modern Japanese History** Janet Hunter,1984-06-28 This is a concise reliable guide to the people places events and ideas of significance from the Meiji Restoration to the present **The Emergence of Modern Japan** Janet Hunter,2014-06-06 The main emphasis of this book is upon political social and economic developments as conditioned by Japan s interaction with the outside world the advance of industrialisation and the emergence of the Japanese nation state Unlike previous textbooks on the history of modern Japan Janet Hunter s book adopts a thematic approach which makes the period much more accessible for readers who wish to pursue their particular interests throughout the period Moreover it will also establish a greater awareness of the cultural and institutional continuities which are crucial to any proper understanding of modern Japan

Revolt In Japan The Young Officers And The February 26 1936 Incident Introduction

In the digital age, access to information has become easier than ever before. The ability to download Revolt In Japan The Young Officers And The February 26 1936 Incident has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Revolt In Japan The Young Officers And The February 26 1936 Incident has opened up a world of possibilities. Downloading Revolt In Japan The Young Officers And The February 26 1936 Incident provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Revolt In Japan The Young Officers And The February 26 1936 Incident has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Revolt In Japan The Young Officers And The February 26 1936 Incident. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Revolt In Japan The Young Officers And The February 26 1936 Incident. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Revolt In Japan The Young Officers And The February 26 1936 Incident, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Revolt In Japan The Young Officers And The February 26 1936 Incident has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the

vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Revolt In Japan The Young Officers And The February 26 1936 Incident Books

1. Where can I buy Revolt In Japan The Young Officers And The February 26 1936 Incident books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Revolt In Japan The Young Officers And The February 26 1936 Incident book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.).
