**Machiavellian Rhetoric** Victoria Kahn, 1994-07-25 Historians of political thought have argued that the real Machiavelli is the republican thinker and theorist of civic virtue Machiavellian Rhetoric argues in contrast that Renaissance readers were right to see Machiavelli as a Machiavel a figure of force and fraud rhetorical cunning and deception Taking the rhetorical Machiavel as a point of departure Victoria Kahn argues that this figure is not simply the result of a naive misreading of Machiavelli but is attuned to the rhetorical dimension of his political theory in a way that later thematic readings of Machiavelli are not Her aim is to provide a revised history of Renaissance Machiavellism particularly in England one that sees the Machiavel and the republican as equally valid and related readings of Machiavelli's work In this revised history Machiavelli offers a rhetoric for dealing with the realm of de facto political power rather than a political theory with a coherent thematic content and Renaissance Machiavellism includes a variety of rhetorically sophisticated appreciations and appropriations of Machiavelli's own rhetorical approach to politics Part I offers readings of The Prince The Discourses and Counter Reformation responses to Machiavelli Part II discusses the reception of Machiavelli in sixteenth and seventeenth century England Part III focuses on Milton especially Areopagitica Comus and Paradise Lost      The False Security of the Believer Kent T. Rabe, 2008 In this scholarly exposition of the book of Amos Rabe echoes the message of the prophets a warning of judgment to come interspersed with promises of hope for a better tomorrow Motivation      **The Apocalypse**

Adela Yarbro Collins, 1991 New Testament Message Volume 22 A Biblical Theological Commentary Those who continue to look for some help in deciphering the Apocalypse will welcome this clear and competent commentary The Bible Today Adela Yarbro Collins can only be thanked for offering to a wide public a lucid well informed and profound commentary on a book which continues to cause considerable confusion The Catholic Biblical Quarterly **Thunderstruck!** Peter J.

Bellini, 2023-04-18 This book is a historical and theological look into the deliverance and exorcism ministry of John Wesley It examines how Wesley understood the phenomenon of deliverance and his own practice of it in terms of ordinary and extraordinary gifts The text looks at how Wesley understood deliverance in general in relation to salvation and how he understood an aspect of deliverance that involved expulsion of demons Further the book assesses how contemporary Wesleyans and Christians in general can apply Wesley's theology and practice to deliverance ministry today Practices like baptismal vows and the use of the gifts of the Holy Spirit are explored in the life of the believer today in terms of deliverance

The Journey to the West, Revised Edition, Volume 1 Anthony C. Yu, 2013-04-05 Read the legendary Chinese classic that inspired the hit game Black Myth Wukong Anthony C Yu's translation of The Journey to the West initially published in 1983 introduced English speaking audiences to the classic Chinese novel in its entirety for the first time Written in the sixteenth century The Journey to the West tells the story of the fourteen year pilgrimage of the monk Xuanzang one of China's most famous religious heroes and his three supernatural disciples in search of Buddhist scriptures Throughout his journey Xuanzang fights demons who wish to eat him communes with spirits and traverses a land riddled with a multitude of obstacles both real and fantastical An adventure rich with danger and excitement this seminal work of the Chinese literary canon by turns allegory satire and fantasy With over a hundred chapters written in both prose and poetry The Journey to the West has always been a complicated and difficult text to render in English while preserving the lyricism of its language and the content of its plot But Yu has successfully taken on the task and in this new edition he has made his translations even more accurate and accessible The explanatory notes are updated and augmented and Yu has added new material to his introduction based on his original research as well as on the newest literary criticism and scholarship on Chinese religious traditions He has also modernized the transliterations included in each volume using the now standard Hanyu Pinyin romanization system Perhaps most important Yu has made changes to the translation itself in order to make it as precise as possible One of the great works of Chinese literature The Journey to the West is not only invaluable to scholars of Eastern religion and literature but in Yu's elegant rendering also a delight for any reader
