The Austrian Revolution Otto Bauer,1925 **The Tragedy of the Chinese Revolution** Harold Isaacs,2010-05-01

The story of how China's modern development rests on the tragically suppressed struggle for true socialism *The Austrian Revolution* Otto Bauer,2020-08-04 This is the story of the decline and fall of an empire a region devastated by war and a world stage fundamentally transformed by the Russian Revolution Bauer's magisterial work available in English for the first time in full charts the evolution of three simultaneous overlapping revolutionary waves a national revolution for self determination which brought down imperial Austria Hungary a bourgeois revolution for parliamentary republics and universal suffrage and a social revolution for workers control factory councils and industrial democracy The brief but crowning achievement of Red Vienna alongside Bauer's unique theorization of an integral socialism an attempted synthesis of revolutionary communism and social democracy is a vital part of the left's intellectual and historical heritage Today as movements once again struggle with questions of reform or revolution political strategy and state power this is a crucial resource Bauer tells the story of the Austrian Revolution with all the immediacy of a central participant and all the insight of a brilliant and original theorist **Promoting Polyarchy** William I. Robinson,1996-08-22 Controversial expos of US policy towards democracy in the Third World *Ready for Revolution* Agustín Guillamón,2014-01-20 Seeing the writing on the wall one of Spain's largest unions began secretly arming workers throughout the country The anarcho syndicalist union evolved from overseeing workers defense to organizing armed resistance to the Fascist coup From there it administered entire militias and finally coordinated industrial self management and food distribution leading a revolution within the Spanish Civil War A fascinating new history and a lively narrative of ordinary men and women making history Agustín Guillamón is an independent historian and the author of *The Friends of Durruti Group 1937-39* and *The Committees Revolution* *The American Catholic Revolution* Mark S. Massa, S.J.,2010-09-14 In the 1960s the Second Vatican Council enacted the most sweeping changes the Catholic Church had seen in centuries In readable and compelling prose Mark S Massa tells the story of the cultural war these changes ignited in the United States a war that is still being waged today Suddenly one Sunday the mass as the faithful had always known it was different and so was the Church they had believed was timeless and unchanging Once the Church opened the door to change Massa argues it could not be closed again Skirmishes broke out over the proper way to worship Soon Catholics were bitterly divided over birth control abortion celibacy female priests and the authority of the Church itself As he narrates these turbulent events Massa takes us beyond stereotypes of liberals and conservatives offering new insights into the last fifty years of American Catholicism *When the Hibiscus Falls* M. Evelina Galang,2023-06-13 Seventeen stories traverse borderlines mythic and real in the lives of Filipino and Filipino American women and their ancestors Moving from small Philippine villages of the past to the hurricane beaten coast of near future

Florida When the Hibiscus Falls examines the triumphs and sorrows that connect generations of women Daughters sisters mothers aunties cousins and lolas commune with their ancestors and their descendants mourning what is lost when an older generation dies celebrating what is gained when we safeguard their legacy for those who come after us Featuring figures familiar from M Evelina Galang s other acclaimed and richly imagined novels and stories When the Hibiscus Falls dwells within the complexity of family community and Filipino American identity Each story is an offering a bloom that unfurls its petals and holds space in the sun
