Santas Activity

Denise Theobald

Santas Activity:

Having Nothing, Possessing Everything Michael Mather, 2018-10-18 Pastor Mike Mather arrived in Indianapolis thinking that he was going to serve the poor. But after his church's community lost nine young men to violence in a few short months Mather came to see that the poor didn't need his help; he needed theirs. This is the story of how one church found abundance in a community of material poverty. Viewing people, not programs, finances, or service models as their most valuable resource moved church members beyond their own walls and out into the streets where they discovered folks rich in strength, talents, determination, and love. Mather's *Having Nothing, Possessing Everything* will inspire readers to seek justice in their own local communities and to find abundance and hope all around them.
