Santas Gift:

Santa's Birthday Gift Sherrill S. Cannon, 2009-11 A book that ties two holiday traditions into one inspirational tale of wonder as Santa brings gifts to baby Jesus *Santa's Gift* Onne Andrews, 2025-11-28 Sandra Nicholas finds running the family business a little lonely especially when she's horny as hell and her only options at the North Pole are reindeer and elves When global warming forces her to move the family toy manufacturing operation she needs the help of a human industrial engineer Sexy Scott Bowman fits the bill but can she keep her hands off him long enough to save Christmas

Bad Santas Paul Hawkins, 2013 Bad Santas is not a book for children Here you will find the bloody the bawdy and the downright bizarre in a celebration of the most imaginative macabre and curious Christmas figures and customs from across Europe Drawing on that continent's legacy of disquieting folk tales told at wintertime Paul Hawkins gleefully dark exploration of seasonal folklore is the perfect book for reading around the fireside Santa Claus Worldwide Tom A. Jerman, 2020-05-01 This is a comprehensive history of the world's midwinter gift givers showcasing the extreme diversity in their depictions as well as the many traits and functions these characters share It tracks the evolution of these figures from the tribal priests who presided over winter solstice celebrations thousands of years before the birth of Christ to Christian notables like St Martin and St Nicholas to a variety of secular figures who emerged throughout Europe following the Protestant Reformation Finally it explains how the popularity of a poem about a miniature sleigh and eight tiny reindeer helped consolidate the diverse European gift givers into an enduring tradition in which American children awake early on Christmas morning to see what Santa brought Although the names appearance attire and gift giving practices of the world's winter solstice gift givers differ greatly they are all recognizable as Santa the personification of the Christmas and Midwinter festivals Despite efforts to eliminate him by groups as diverse as the Puritans of seventeenth century New England the Communist Party of the twentieth century Soviet Union and the government of Nazi Germany Santa has survived and prospered becoming one of the best known and most beloved figures in the world The True Story of Santa Claus Janet Giovanelli, 2020-10-13 He's a symbol of hope and happiness of generosity and benevolence Santa Clause is simply one of the most beloved legends ever embraced The Story of Santa explores the history of Father Christmas Who is he really Where did he come from His origins may surprise you Why does he fulfill our wishes And what can we learn from him He's become a ubiquitous figure during the Christmas season with his white beard red suit and prominent belly but just how much do those celebrating the happy holiday really know about Santa Claus Here is the whole story from the beginning including the pre-Santas like Sinterklaas Father Christmas and of course St Nicholas This beautifully illustrated book celebrates all things Santa ranging from the much loved poem The Night Before Christmas to the songs movies images and stories that are loved by both young and old Along the way it explores the favorite stories that have sprung up around him including Santa's elves his workshop Santa's beloved reindeer and the legend of Mrs Claus and the North Pole abode where she and her husband

make their home You ll even learn the secret to how Santa has time to visit every house around the world in just one night a mathematician explains how it s physically possible **Santa Claus** Letlhokwa George Mpedi,2020-11-30 The origins of Santa Claus or so I am told is that the young Bishop Nicholas secretly delivered three bags of gold as dowries for three young girls to their indebted father to save them from a life of prostitution Armed with immortality a factory of elves and a fleet of reindeer his has been a lasting legacy inextricably linked to Christmas Of course this Christmas looks a little different Amidst a global pandemic shimmying down the chimneys of strangers certainly does not adhere to social distancing guidelines Some borders remain closed and in some instances the quarantine period is far too long After all he only has 24 hours to spread cheer across the world As with the rest of us Santa Claus is likely to get the remote working treatment The reindeers this year are likely to be self driving reminiscent of an Amazon swarm of technology and the naughty and nice lists are likely to be based on algorithms derived from social media accounts In the age of the fourth industrial revolution it is difficult to imagine that letters suffice anymore How many posts were verified as real before shared Enough to get you a drone Fake news Here is a lump of coal Will we see elves in personal protective equipment PPE and will Santa Claus high risk because of age and his likely comorbidities from the copious amount of cookies have to self isolate in the North Pole In fact will there be any toys at all this year Surely production has been stalled with the restrictions on imports and exports into the North Pole Perhaps there is a view to outsourcing or perhaps there is a shift towards local production and supply chains More importantly as we have done in many instances in this period maybe we should pause to reflect on the current structures in place The sanctification of a figure so clearly dismissive of the Global South and to be critical quite classist must be called into question From some of the keenest minds the contributions in this book make a strong case against this holly jolly man We traverse important topics such as is the constitution too lenient with a clear intruder who has conveniently branded himself a Good Samaritan Allegations of child labour under the guise of elves blatant animal cruelty constant surveillance in stark contrast to many democratic ideals and his possible threat to national security come to the fore Nevertheless as the song goes he is aware when you are asleep and he knows when you are awake Is feminism a farce to this beloved man what role does Mrs Claus play and why are there inherent gender norms in his toys Then is the worry of closed borders and just how accurate his COVID 19 tests are Of course this brings his ethics into question While there is an agreement that transparency justice and fairness nonmaleficence responsibility and privacy are the core ethical principles the meaning of these principles differs particularly across countries and cultures Why are we subject to Santa Claus notions of good and evil when he is so far removed from our context As Richard Thaler and Cass Sunstein would tell you this is fundamentally a nudge from Santa Claus for children to fit into his ideals A nudge coined by Thaler is a choice that predictably changes people s behaviour without forbidding any options or substantially changing their economic incentives Even with pinched cheeks and an air of holiday cheer Santa Claus has to come under scrutiny In the process of decolonising knowledge and looking at various

epistemologies does Santa still make the cut The Leadership Secrets of Santa Claus Eric Harvey,2015-10-06 Read this book and learn how returning to your childhood can make you a better adult and a better leader Ken Blanchard New York Times bestselling author of The One Minute Manager This compact book presents leadership concepts in a new and exciting way With lots of practical advice you can implement starting today you can start to motivate your team deal with change and become a better leader now Make your company a cherished favorite using insider advice delivered directly from the North Pole Find out if your existing strategies are naughty or nice and unwrap easy to follow leadership secrets Build an excellent reputation and motivate your company to achieve big things every year using the invaluable gifts of every team member

Confectionery and Ice Cream World ,1947 Santa Claus, Last of the Wild Men Phyllis Siefker,2006-12-11 Much of the modern day vision of Santa Claus is owed to the Clement Moore poem The Night Before Christmas His description of Saint Nicholas personified the jolly old elf known to millions of children throughout the world However far from being the offshoot of Saint Nicholas of Turkey Santa Claus is the last of a long line of what scholars call Wild Men who were worshipped in ancient European fertility rites and came to America through Pennsylvania s Germans This pagan creature is described from prehistoric times through his various forms Robin Hood The Fool Harlequin Satan and Robin Goodfellow into today s carnival and Christmas scenes In this thoroughly researched work the origins of Santa Claus are found to stretch back over 50 000 years jolting the foundation of Christian myths about the jolly old elf **SANTA CLAUS SURVIVAL MANUAL** Alexandre Tower,2024-11-04 Preface Welcome to the wild wonderful and occasionally downright chaotic world of Christmas where gift wrap shines brighter than stars and panettone seems to have a mind of its own This book Santa s Survival Guide How to Stay Sane Through the Christmas Craze is your go to guide for navigating the holiday labyrinth with a smile and maybe a touch of sarcasm A Comedic Journey Are you ready to dive into the many faces of Christmas From the fine art of dodging mile long lines in stores to the epic quest for last minute perfect gifts right down to figuring out how to recycle that painfully ugly sweater from Aunt Judy each chapter is a hilarious adventure shining a light on the absurd side of a holiday that leaves us all a little wide eyed Christmas A Collective Adventure Christmas is that rare collective experience a time when families gather kids glow with joy and grown ups tackle gift lists traditions and a fair amount of holiday anxiety Every year cities dazzle with festive lights store windows overflow with the most unlikely of objects and houses morph into forts of decorations But behind the tinsel and twinkling lights let s be real Christmas can feel like a real survival challenge Comedic Chaos The beauty of Christmas It s all in the chaos From the mad dash for that last discounted panettone to the gladiator style shopping battles in malls Christmas is the stage for endless hilarious scenes Every chapter of this book opens a window into these comedic experiences inviting you to laugh off the holiday mishaps we ve all survived Because no matter how hard you plan there s always some surprise lurking around the corner whether it ll make you chuckle or shiver
