Santeria Healing A Journey Into The Afro Cuban World Of Divinities Spirits And Sorcery

Rafael Ocasio

Santeria Healing A Journey Into The Afro Cuban World Of Divinities Spirits And Sorcery:

Santería Healing Johan Wedel, 2004 Will be of interest not only to specialists in Afro Cuban and African Diaspora religions but also to medical anthropologists and students of anthropology psychology and religious studies This work provides a particularly revealing entry way into the realities of contemporary Cuba George Brandon Sophie Davis School of Biomedical Education City University of New York Johan Wedel offers a visit inside the world of Santería a healing Drawing upon extensive fieldwork in contemporary Cuba including interviews with Santería devotees firsthand observations of divination sessions and interviews with healed patients supplemented by comments from Santería healers Wedel demonstrates how Santería healing is carried out and experienced by the participants Santería with roots in Africa and the slave trade and rituals including divination animal sacrifice and possession trance would seem an anachronism in the modern world Still Wedel argues it offers treatment and ideas about illness that are flourishing and even spreading in the face of Western medicine He shows that Santería healing is best understood as a transformation of the self allowing the patient to experience the world in a new way He grounds his analysis of Santería in lively and sometimes frightening narratives in which people reveal in their own words the experience of illness sorcery and healing Wedel's account will appeal to scholars and others interested in Santería Cuba and religious healing He shows that Santería is not only a challenge to Western medical theory but also an important contribution to our understanding of illness suffering and well being Johan Wedel is instructor in social anthropology at Göteborg University Sweden

Caribbean Healing Traditions Patsy Sutherland, 2013-07-24 Caribbean Healing Traditions Implications for Health and Mental Health draws on the knowledge of prominent clinicians scholars and researchers of the Caribbean and the diaspora exploring healing traditions in the context of health and mental health for the first time Caribbean Healing Traditions is an invaluable resource for students researchers faculty and practitioners in the fields of nursing counseling psychotherapy psychiatry social work youth and community development and medicine

Afro-Cuban Costumbrismo Rafael Ocasio, 2012-08-26 Costumbrismo which refers to depictions of life in Latin America during the nineteenth century introduced some of the earliest black themes in Cuban literature Rafael Ocasio delves into this literature to offer up a new perspective on the development of Cuban identity as influenced by black culture and religion during the sugar cane boom Comments about the slave trade and the treatment of slaves were often censored in Cuban publications nevertheless white Costumbrista writers reported on a vast catalogue of stereotypes religious beliefs and musical folklore and on rich African traditions in major Cuban cities Exploring rare and seldom discussed nineteenth century texts Ocasio offers insight into the nuances of black representation in Costumbrismo while analyzing authors such as Suárez Romero an abolitionist who wrote from the perspective of a plantation owner Afro-Cuban Costumbrismo expands the idea of what texts constitute Costumbrismo and debunks the traditional notion that this writing reveals little about the Afro-Cuban experience The result is a novel examination of how white writers' representations of black culture heavily inform our current

understanding of nineteenth century Afro Cuban culture and national identity *Electric Santería* Aisha M. Beliso-De Jesús, 2015-09-08 Santería is an African inspired Cuban diaspora religion long stigmatized as witchcraft and often dismissed as superstition yet its spirit and possession based practices are rapidly winning adherents across the world Aisha M Beliso De Jesús introduces the term copresence to capture the current transnational experience of Santería in which racialized and gendered spirits deities priests and religious travelers remake local national and political boundaries and reconfigure notions of technology and transnationalism Drawing on eight years of ethnographic research in Havana and Matanzas Cuba and in New York City Miami Los Angeles and the San Francisco Bay area Beliso De Jesús traces the phenomenon of copresence in the lives of Santería practitioners mapping its emergence in transnational places and historical moments and its ritual negotiation of race imperialism gender sexuality and religious travel Santería's spirits deities and practitioners allow digital technologies to be used in new ways inciting unique encounters through video and other media Doing away with traditional perceptions of Santería as a static localized practice or as part of a mythologized past this book emphasizes the religion's dynamic circulations and calls for nontranscendental understandings of religious transnationalisms [African American Culture](#) Omari L. Dyson, Judson L. Jeffries Ph.D., Kevin L. Brooks, 2020-07-23 Covering everything from sports to art religion music and entrepreneurship this book documents the vast array of African American cultural expressions and discusses their impact on the culture of the United States According to the latest census data less than 13 percent of the U S population identifies as African American African Americans are still very much a minority group Yet African American cultural expression and strong influences from African American culture are common across mainstream American culture in music the arts and entertainment in education and religion in sports and in politics and business African American Culture An Encyclopedia of People Traditions and Customs covers virtually every aspect of African American cultural expression addressing subject matter that ranges from how African culture was preserved during slavery hundreds of years ago to the richness and complexity of African American culture in the post Obama era The most comprehensive reference work on African American culture to date the multivolume set covers such topics as black contributions to literature and the arts music and entertainment religion and professional sports It also provides coverage of less commonly addressed subjects such as African American fashion practices and beauty culture the development of jazz music across different eras and African American business **Routledge Handbook of Afro-Latin American Studies** Bernd Reiter, John Antón Sánchez, 2022-11-08 This Handbook provides a comprehensive roadmap to the burgeoning area of Afro Latin American Studies Afro Latins as a civilization developed during the period of slavery obtaining cultural contributions from Indigenous and European worlds while today they are enriched by new social configurations derived from contemporary migrations from Africa The essays collected in this volume speak to scientific production that has been promoted in the region from the humanities and social sciences with the aim of understanding the phenomenon of the African diaspora as a specific civilizing

element With contributions from world leading figures in their fields overseen by an eminent international editorial board this Handbook features original authoritative articles organized in four coherent parts Disciplinary Studies Problem Focused Fields Regional and Country Approaches Pioneers of Afro Latin American Studies The Routledge Handbook of Afro Latin American Studies will not only serve as the major reference text in the area of Afro Latin American Studies but will also provide the agenda for future new research The Black Church Studies Reader Alton B. Pollard,Carol B.

Duncan,2016-04-29 The Black Church Studies Reader addresses the depth and breadth of Black theological studies from Biblical studies and ethics to homiletics and pastoral care The book examines salient themes of social and religious significance such as gender sexuality race social class health care and public policy While the volume centers around African American experiences and studies it also attends to broader African continental and Diasporan religious contexts The contributors reflect an interdisciplinary blend of Black Church Studies scholars and practitioners from across the country The text seeks to address the following fundamental questions What constitutes Black Church Studies as a discipline or field of study What is the significance of Black Church Studies for theological education What is the relationship between Black Church Studies and the broader academic study of Black religions What is the relationship between Black Church Studies and local congregations as well as other faith based entities The book s search for the answers to these questions is compelling and illuminating **Critical Dialogues in Latinx Studies** Ana Y. Ramos-Zayas,Mérida M. Rúa,2021-08-10

WINNER D Scott Palmer Prize for Best Edited Collection given by the New England Council of Latin American Studies Introduces new approaches theoretical trends and understudied topics in Latinx Studies This groundbreaking work offers a multidisciplinary social science oriented perspective on Latinx studies including the social histories and contemporary lives of a diverse range of Latina and Latino populations Editors Ana Y Ramos Zayas and M rida M R a have crafted an anthology that is unique in both form and content The book combines previously published canonical pieces with original cutting edge works created for this volume The sections of the text are arranged thematically as critical dialogues each with a brief preface that provides context and a conceptual direction for the scholarly conversation that ensues The editors frame the volume around the humanistic social sciences using the term to highlight the historical and social contexts under which expressive cultural forms and archival records are created Critical Dialogues in Latinx Studies masterfully sheds light on the diversity and complexity of the everyday lives of Latinx populations the political economic structures that shape enduring racialization and cultural stereotyping and the continuing efforts to carve out new lives as diasporic transnational global and colonial subjects **Handbook of Counseling and Psychotherapy in an International Context** Roy Moodley,Uwe P.

Gielen,Rosa Wu,2013-05-07 Many factors in the world today such as globalization and a rise in immigration are increasing the need for mental health practitioners to acquire the ability to interact effectively with people of different cultures This text will be the most comprehensive volume to address this need to date exploring the history philosophy processes and trends in

counseling and psychotherapy in countries from all regions of the globe Organized by continent and country each chapter is written by esteemed scholars drawing on intimate knowledge of their homelands They explore such topics as their countries demographics counselor education programs current counseling theories and trends and significant traditional and indigenous treatment and healing methods This consistent structure facilitates quick and easy comparisons and contrasts across cultures offering an enhanced understanding of diversity and multicultural competencies Overall this text is an invaluable resource for practitioners researchers students and faculty showing them how to look beyond their own borders and cultures to enhance their counseling practices

Culpability of the Trans-Atlantic Slave Trade Abdul Karim

Bangura,2016-12-07 This book contributes to the debate over the culpability of the Trans Atlantic Slave from various disciplinary perspectives The general thesis that undergirds the book is that by knowing who was predisposed to benefit the most from the trade and why prompting them to initiate it appropriate culpability can be assigned This approach also allowed for a more in depth analysis of the issue from many disciplines making it the first of its kind For the sake of cohesion and coherence some of the major questions addressed by every chapter are quite similar albeit authors were encouraged to fine tune and add to these questions to meet their disciplinary requirements By emphasizing the why in some of the questions a qualitative explanatory case study approach was utilized Both primary and secondary data sources were also used for each chapter to offer a cogent analysis and new information on the topic

As recognized, adventure as with ease as experience just about lesson, amusement, as skillfully as concurrence can be gotten by just checking out a ebook **Santeria Healing A Journey Into The Afro Cuban World Of Divinities Spirits And Sorcery** next it is not directly done, you could bow to even more on the subject of this life, approximately the world.

We have the funds for you this proper as capably as simple quirk to get those all. We have the funds for Santeria Healing A Journey Into The Afro Cuban World Of Divinities Spirits And Sorcery and numerous book collections from fictions to scientific research in any way. accompanied by them is this Santeria Healing A Journey Into The Afro Cuban World Of Divinities Spirits And Sorcery that can be your partner.
