

SANTERÍA

AFRICAN SPIRITS IN AMERICA

WITH A NEW PREFACE

JOSEPH M. MURPHY

A FIRST-HAND ACCOUNT THAT VIVIDLY EVOKES THE RITES OF
THE ORISHA TRADITION: DIVINATION, DANCE, AND INITIATION.

Santeria African Spirits In America

Anthony B. Pinn

Santeria African Spirits In America:

Santeria Joseph M. Murphy, 1993-04-01 Santeria represents the first in depth scholarly account of a profound way of wisdom that is growing in importance in America today. A professional academic and himself a participant in the Santeria community of the Bronx for several years, Joseph Murphy offers a powerful description and insightful analysis of this African Cuban religion. He traces the survival of an ancient spiritual path from its West African Yoruba origins through nearly two centuries of slavery in the New World to its presence in the urban centers of the United States where it continues to inspire seekers with its compelling vision. The African American Religious Experience in America Anthony B. Pinn, 2005-11-30

Most who think about African American religion limit themselves to black churches or perhaps to aspects of Islamic thought and practice. But a close look at the religious landscape of African American communities presents a much more complex, thick and layered religious reality comprising many competing faiths and practices. The African American Religious Experience in America provides readers with an introduction to the tremendous religious diversity of African American communities in the United States with snapshots of 11 religious traditions practiced by African Americans from Buddhism to Catholicism, from Judaism to Voodoo. Each snapshot provides readers a better understanding of how African Americans practice their faiths in the United States. The African American Religious Experience in America provides resources for students taking classes on the history of American religion, African American Studies, and on American Studies. In addition to the in depth discussion of the varieties of African American Religion, the volume includes a historical introduction to the development of African American Religion, a glossary of terms, a timeline of important events, a series of short biographies of important figures in the history of African American religion, and a bibliography of sources for further study. Finally, the book includes a series of primary source documents that will provide students with first person accounts of how religion is practiced in the African American community both today and in the past. *Santería* Mary Ann Clark, 2007-03-30 Santeria, also known as Yoruba Lukumi or Orisha, was originally brought to the Americas from Africa by enslaved peoples destined for the Caribbean and South America. By the late 1980s it was estimated that more than 70 million African and American people participated in or were familiar with the various forms of Santeria, including traditional religions in Africa, Vodun in Haiti, Candomble in Brazil, Shango religion in Trinidad, Santeria in Cuba, and of course variants of all of these in the U.S. Today there are practitioners around the world, including Europe and Asia. Because of the secretive nature of the religion, it has been difficult to get accurate and objective information, but here Clark introduces readers to the religion, explores the basic elements, including the Orisha, and answers the many questions Santeria arouses in observers and practitioners alike. Santeria was brought to the United States in two principle waves: one in the early 1960s after the Cuban Revolution and later by the Marielitos who escaped from the island in the 1980s. Since then it has spread to the larger Hispanic community, to the African American community, and to other segments of society as well. Today practitioners can be found in every state and interest in

Orisha and related traditions has gained popularity As the number of practitioners has grown so has public awareness In this compelling introduction Clark answers such questions as where did this religion come from What do practitioners believe Is it a cult What takes place at a ritual event How does it view death and the afterlife Is there ritual sacrifice Clark a practitioner as well as a scholar of the faith dispels the myths that surround this religious practice and brings readers to a better understanding of this growing faith in America

Santeria Joseph Murphy, 1997-01-01

Varieties of African American Religious Experience Anthony B. Pinn, 2017-10-15 Twenty years ago Anthony Pinn's engrossing survey highlighted the rich diversity of black religious life in America revealing expressions of an ever changing black religious quest Based on extensive research travel and interviews Pinn's work provides a fascinating look especially at Voodoo Santeria the Nation of Islam and black humanism in the United States and uses the diversity of religious belief to begin formulation of a comparative black theology the first of its kind This twentieth anniversary edition is an expanded version including a new preface and a new concluding chapter An important contribution to classroom studies

Spirit Possession around the World Joseph P. Laycock, 2015-05-26 This book provides a fascinating historical and cultural overview of traditional beliefs about spirit possession and exorcism around the world from Europe to Asia and the Middle East to the Americas Possession and exorcism are elements that occur in nearly every culture Why is belief in spiritual possession so universal This accessible reference volume offers a broad sample of the traditions and cultures involving possession and exorcism presenting thoughts on this widely popular topic by experts from the fields of anthropology sociology religious studies history neuroscience forensics and theology The entries cover the subject of possession and exorcism across all inhabited continents from the Bronze Age to the 21st century providing information that is accessible and intriguing as well as scholarly and authoritative Beyond addressing the Christian tradition of possession and exorcism Pentecostalism and New Age and less widely known Western concepts about possession and exorcism this work examines ideas about possession and exorcism from other world religions and the indigenous cultures of Asia Africa and the Americas It also covers historic cases of possession and presents biographies of famous theologians exorcists and possessed individuals High school and undergraduate readers will learn about world history religious and spiritual traditions and world cultures through a topic that figures prominently in popular culture and modern entertainment Bibliographies that accompany each entry as well as a selected general bibliography serve to help students locate print and electronic sources of additional information

A Critical Introduction to Religion in the Americas Michelle A. Gonzalez, 2014-07-18 This book argues that we cannot understand religion in the Americas without understanding its marginalized communities Despite frequently voiced doubts among religious studies scholars it makes the case that theology and particularly liberation theology is still useful but it must be reframed to attend to the ways in which religion is actually experienced on the ground That is a liberation theology that assumes a need to work on behalf of the poor can seem out of touch with a population experiencing huge Pentecostal and Charismatic growth where the focus is not on

inequality or social action but on individual relationships with the divine **Caribbean Religious History** Ennis B Edmonds,Michelle A Gonzalez,2010-06-01 The colonial history of the Caribbean created a context in which many religions from indigenous to African based to Christian intermingled with one another creating a rich diversity of religious life Caribbean Religious History offers the first comprehensive religious history of the region Ennis B Edmonds and Michelle A Gonzalez begin their exploration with the religious traditions of the Amerindians who flourished prior to contact with European colonizers then detail the transplantation of Catholic and Protestant Christianity and their centuries of struggles to become integral to the Caribbean s religious ethos and trace the twentieth century penetration of American Evangelical Christianity particularly in its Pentecostal and Holiness iterations Caribbean Religious History also illuminates the influence of Africans and their descendants on the shaping of such religious traditions as Vodou Santeria Revival Zion Spiritual Baptists and Rastafari and the success of Indian indentured laborers and their descendants in reconstituting Hindu and Islamic practices in their new environment Paying careful attention to the region s social and political history Edmonds and Gonzalez present a one volume panoramic introduction to this religiously vibrant part of the world **African-American Religion** Timothy Earl Fulop,Albert J. Raboteau,1997 First Published in 1997 Routledge is an imprint of Taylor Francis an informa company African-American Holidays, Festivals, and Celebrations, 2nd Ed. James Chambers,2019-09-01 Presents more than 100 diverse holidays and festivals observed by Americans of African descent exploring their history customs and symbols Also includes a chronology bibliography and index
