SAPPELO'S PEOPLE

A LONG WALK INTO FREEDOM

"A searing metaphorical X-ray of a people battling to find space where they can become themselves.... I am deeply grateful for McFeely's magnificent effort of thought, empathy, scholarship, and imagination."

Sapelo's People William S. McFeely, 1995 In this moving and original work William S. McFeely one of this country's most distinguished historians retells the history and enters into the current day lives of the people who inhabit Sapelo's Island off the coast of Georgia descendants of slaves who once worked its huge cotton plantations It is at once a richly detailed work of historical reconstruction a sensitive portrait of the lives of black Americans in this particular place and in our own time and a moving meditation on race by a writer who has made its painful dilemmas his life's work as a historian

Long Walk to Freedom, 2001 *The Long Walk to Freedom* Devon W. Carbado, 2013-09-03 In this groundbreaking compilation of first person accounts of the runaway slave phenomenon editors Devon W. Carbado and Donald Weise have recovered twelve narratives spanning eight decades more than half of which have been long out of print Told in the voices of the runaway slaves themselves these narratives reveal the extraordinary and often innovative ways that these men and women sought freedom and demanded citizenship Also included is an essay by UCLA history professor Brenda Stevenson that contextualizes these narratives providing a brief yet comprehensive history of slavery as well as a look into the daily life of a slave Divided into four categories running away for family running inspired by religion running by any means necessary and running to be free these stories are a testament to the indelible spirit of these remarkable survivors The Long Walk to Freedom presents excerpts from the narratives of well known runaway slaves like Frederick Douglass and Harriet Jacobs as well as from the narratives of lesser known and virtually unknown people Several of these excerpts have not been published for more than a hundred years But they all portray the courageous and sometimes shocking ways that these men and women sought their freedom and asserted power often challenging many of the common assumptions about slaves lack of agency Among the remarkable and inspiring stories is the tense but triumphant tale of Henry Box Brown who with a white abolitionist's help shipped himself in a box over a twenty seven hour train ride part of which he spent standing on his head to freedom in Philadelphia And there's the story of William and Ellen Craft who fled across thousands of miles with Ellen who was light skinned disguised as a white male slave owner so she and her husband could achieve their dream of raising their children as free people Gripping inspiring and captivating The Long Walk to Freedom is a remarkable collection that celebrates those who risked their lives in pursuit of basic human rights

So Tall Within Gary D. Schmidt, 2018 Sojourner Truth was born into slavery but possessed a mind and a vision that knew no bounds So Tall Within traces her life from her painful childhood through her remarkable emancipation to her incredible leadership in the movement for rights for both women and African Americans
