Blue Sapphire Temptation Sherelle Green, 2017-12-12 Logan Lo Sapphire has never backed down from a challenge so she is convinced that she can persuade the stern and unyielding self made millionaire to keep High Class Society a secret after he bursts into her office demanding to know his sister's whereabouts The last thing Lo wants to do is go on a wild goose chase with a walking sex ad to find his sister but maybe just maybe finding her will coax him into signing a confidentiality agreement Tristan Derrington has a reputation for doing what he wants when he wants Usually nothing will stop Tristan from pursuing a gorgeous beauty like Logan but even temptation in four inch heels won't stand in the way of him finding his sister and exposing HCS Soon Tristan realizes that sometimes the best laid plans fail They may try to avoid their attraction but ignoring their explosive chemistry is pointless Especially when they realize how delicious giving into temptation can be High Class Society Series Blue Sapphire Temptation by Sherelle Green Book 1 Originally published in March 2015 Her Sweetest Seduction by Angela Seals Book 2 Originally published in March 2015 Sealed With a Kiss by Angela Seals Book 3 NEW RELEASE Passionate Persuasion by Sherelle Green Book 4 NEW RELEASE *Sapphire's Flight* K.S. The Sapphire Cross George Manville Fenn, 2021-04-25 In The Sapphire Cross George Manville Fenn crafts a vivid narrative that intertwines adventure and moral exploration set against a backdrop of Victorian social dynamics The book revolves around a treasure hunting quest shrouded in mystery and danger where the titular Sapphire Cross becomes a symbol of both desire and ethical dilemmas Fenn employs a richly descriptive literary style immersed in natural imagery and a tone that reflects the moral quandaries of his era while delving into themes of loyalty betrayal and redemption amidst the thrills of adventure Fenn a prominent British author and journalist was deeply influenced by his own experiences and the prevailing social conditions of 19th century England His extensive travels and fascination with adventure narratives provided fertile ground for his storytelling as he sought to engage young audiences with tales that not only entertained but also imparted lessons on integrity and virtue His background as a war correspondent and his interest in the complexities of human character are evident throughout the novel reflecting his belief in the transformative power of education and moral fortitude I highly recommend The Sapphire Cross to readers who appreciate classic adventure literature infused with deeper philosophical reflections It serves as both an exhilarating tale of exploration and a thought provoking commentary on the human condition Fenn's storytelling mastery will captivate those interested in Victorian literature offering not just excitement but the wisdom of age old values
