Sara And Gerald:

Everybody Was So Young Amanda Vaill, 1999-04-20 A dazzling biography for readers of The Great Gatsby and other Lost Generation authors Gifted artist Gerald Murphy and his elegant wife Sara were icons of the most enchanting period of our time handsome talented and wealthy expatriate Americans they were at the very center of the literary scene in Paris in the 1920s In *Everybody Was So Young* Amanda Vaill brilliantly portrays both the times in which the Murphys lived and the fascinating friends who flocked around them Whether summering with Picasso on the French Riviera or watching bullfights with Hemingway in Pamplona Gerald and Sara inspired kindred creative spirits like Dorothy Parker Cole Porter and F Scott Fitzgerald Fitzgerald even modeled his main characters in *Tender is the Night* after the couple Their story is both glittering and tragic and in this sweeping and richly anecdotal portrait of a marriage and an era Amanda Vaill has brought them to life as never before Chicago Tribune

Clothes for a Summer Hotel Tennessee Williams, 2015-12-18 This late play by Tennessee Williams explores the troubled relationship between F Scott and Zelda Fitzgerald The late Tennessee Williams s *Clothes for a Summer Hotel* made its New York debut in 1980 Here Scott and Zelda Fitzgerald often seen as symbols of the doomed youth of the jazz age become two halves of a single creative psyche each part alternately feeding and then devouring the other Set in Highland Hospital near Asheville North Carolina where Zelda spent her last confinement this ghost play begins several years after Scott s death of a heart attack in California But the past is still always present in Zelda and Williams s constant shifting of chronology and mixing of remembrance with ghostly re enactment suggest that our real intimacy is with the shadow characters of our own minds As Williams said in the Author s Note to the Broadway production Our reason for taking extraordinary license with time and place is that in an asylum and on its grounds liberties of this kind are quite prevalent and also these liberties allow us to explore in more depth what we believe is truth of character Williams poses the inevitable unanswerable questions Did Scott prevent Zelda from achieving an independent creativity Did Zelda s demands force Scott

to squander his talents and turn to alcohol Whose betrayal emotional creative sexual destroyed the other But he poses these questions in a new way in the act of creation Zelda and Scott are now aware of their eventual destruction and the creative fire that consumed two artists combines symbolically with the fire that ended Zelda s life **Lustful Appetites** Rachel Hope Cleves,2024-11-18 We take the edible trappings of flirtation for granted chocolate covered strawberries and romance oysters on the half shell and desire the eggplant emoji and a suggestive wink But why does it feel so natural for us to link food and sexual pleasure Rachel Hope Cleves explores the long association between indulging in good food and an appetite for naughty sex from the development of the Parisian restaurant as a place for men to meet with prostitutes and mistresses to the role of sexual outlaws like bohemians new women lesbians and gay men in creating epicurean culture in Britain and the United States Taking readers on a gastronomic journey from Paris and London to New York Chicago and San Francisco Lustful Appetites reveals how this preoccupation changed the ways we eat and the ways we are intimate while also creating stigmas that persist well into our own twenty first century **The Gatsby Affair** Kendall Taylor,2018-08-08 The romance between F Scott Fitzgerald and Zelda Sayre has been celebrated as one of the greatest of the 20th century From the beginning their relationship was a tumultuous one in which the couple s excesses were as widely known as their passion for each other Despite their love both Scott and Zelda engaged in flirtations that threatened to tear the couple apart But none had a more profound impact on the two and on Scott s writing as the liaison between Zelda and a French aviator Edouard Jozan Though other biographies have written of Jozan as one of Scott s romantic rivals accounts of the pilot s effect on the couple have been superficial at best In The Gatsby Affair Scott Zelda and the Betrayal That Shaped an American Classic Kendall Taylor examines the dalliance between the southern belle and the French pilot from a fresh perspective Drawing on conversations and correspondence with Jozan s daughter as well as materials from the Jozan family archives Taylor sheds new light on this romantic triangle More than just a casual fling Zelda s tryst with Edouard affected Scott as much as it did his wife and ultimately influenced the author s most famous creation Jay Gatsby Were it not for Zelda s affair with the pilot Scott s novel might be less about betrayal and more about lost illusions Exploring the private motives of these public figures Taylor offers new explanations for their behavior In addition to the love triangle that included Jozan Taylor also delves into an earlier event in Zelda s life a sexual assault she suffered as a teenager one that affected her future relationships Both a literary study and a probing look at an iconic couple s psychological makeup The Gatsby Affair offers readers a bold interpretation of how one of America s greatest novels was influenced *Reciprocities in the Nonfiction Novel* John Russell,2000 Nonfiction novels have usually been associated with the new journalism writers of the 1960s such as Tom Wolfe Norman Mailer and Truman Capote Yet this form has long commanded a key position in the literary canon as John Russell now reveals Russell identifies eleven major works not usually thought of as nonfiction novels such as Isak Dinesen s Out of Africa and E E Cummings s The Enormous Room to create a new definition of the genre He shows that journalistic writing is

characterized by a reporter's proprietary stance which undermines reciprocity with subjects while true nonfiction novels feature greater reciprocity and also employ such techniques as circular narrative and bricolage. Reciprocities in the Nonfiction Novel contributes to ongoing explorations of literary forms and offers wise commentary on how writing about real life can become art.
