Sara Coleridge A Victorian Daughter Her Life And Essays:

Sara Coleridge, a Victorian Daughter Bradford Keyes Mudge, Sara Coleridge Coleridge, 1989-01-01 Sara Coleridge 1802 1852 daughter of the poet was a woman of exceptional intellectual energy After she published two books before she was twenty two she became the editor and promoter of her father s works marketing them as the philosophic cure to the social ills of the times

The Vocation of Sara Coleridge Robin Schofield, 2018-02-12 This book presents a fundamental reassessment of Sara Coleridge It examines her achievements as an author in the public sphere and celebrates her interventions in what was a masculine genre of religious polemics Sara Coleridge the religious author was the peer of such major figures as John Henry Newman and F D Maurice and recognized as such by contemporaries Her strategic negotiations with conventions of gender and authorship were subtle and successful In this rediscovery of Sara Coleridge the author revises perspectives upon her literary relationship with Samuel Taylor Coleridge Far from sacrificing her opportunities in service of her father s memory her rationale is to exploit his metaphysics in original religious writings that engage with urgent controversies of her own times Sara Coleridge critiques the Oxford theology of Newman and his colleagues for authoritarian and elitist tendencies and for creating a negative culture in religious discourse In response she experiments with methodologies of collaborative dialogic exchange in which form as much as content will promote liberal inclusive and productive encounters She develops this agenda in her major religious work the unpublished Dialogues on Regeneration 1850 51 which this book examines in its penultimate chapter

Sara Coleridge and the Oxford Movement Robin Schofield, 2020-01-30 Sara Coleridge and the Oxford Movement is the first book to be devoted entirely to Sara Coleridge s religious writings It presents extracts from important religious works which have remained unpublished since the 1840s These writings represent a bold intervention by a woman writer in the public spheres of academia and the Church in the genre of religious writing which was a masculine preserve as opposed to the genres of religious fiction and poetry They offer the most original and systematic critique of Tractarian theology to appear in the 1840s Sara Coleridge s assertion of religious inclusivity and liberty of conscience is based on a radically Protestant theology underpinned by a Kantian epistemology The book also presents substantial extracts from her unpublished masterpiece Dialogues on Regeneration the equivalent of her father s Opus Maximum which show her remarkable literary originality and the continuing development of her innovative religious thought

Sara Coleridge J. Barbeau, 2014-06-18 Known as the daughter of Samuel Taylor Coleridge Sara Coleridge s manuscripts letters and other writings reveal an original thinker in dialogue with major literary and cultural figures of nineteenth century England Here her writings on beauty education and faith uncover aspects of Romantic and Victorian literature philosophy and theology

The Regions of Sara Coleridge's Thought P. classical and English literature The Social Imagination of the Romantic Wife in Literature Linda L. Reesman, 2024-11-22
The emergence of social change in the daily lives of English society appeared most noticeably through the Romantic era response of human emotions to a period of reason that has defined the era of Enlightenment scientifically and philosophically Remarkably the dramatic political shift that occurred in 1789 from a French monarchy to a constitutional democracy foreshadowed social changes to the family unit that were more slowly evolving throughout England during the eighteenth century An intellectual movement to educate all members of society strengthened efforts to loosen ecclesiastical control allowing more secular definitions of social roles to emerge The nature of marriage during this period in England is central to understanding how the marriage covenant became a widely accepted civil contract Examining the sentiments of passion and virtue the dynamics of traditional marriage emerge through newly established perspectives The role of the wife as a Romantic era concept tells the story of two women through their married lives and literary identities The social imagination provides a new perspective on domestic concerns to illuminate a feminine aspect of the literary market through an understanding of the ordinary wife among female writers Moreover a specific focus on marriage virtue and friendship as seen through two relationships examines individuals who define both a traditional and a non conforming approach to their domestic lives Two husbands who were political and religious activists with wives who were atypical domestics were chosen to exemplify the effects of social change on their particular lives and marital roles in an expanding literary world

Wright, 2012-02-01 *Nervous Reactions* considers Victorian responses to Romanticism particularly the way in which the

Romantic period was frequently constructed in Victorian era texts as a time of nervous or excitable authors and readers at odds with Victorian values of self restraint moderation and stolidity Represented in various ways as a threat to social order as a desirable freedom of feeling as a pathological weakness that must be cured this nervousness both about and of the Romantics is an important though as yet unaddressed concern in Victorian responses to Romantic texts By attending to this nervousness the essays in this volume offer a new consideration not only of the relationship between the Victorian and Romantic periods but also of the ways in which our own responses to Romanticism have been mediated by this Victorian attention to Romantic excitability Considering editions and biographies as well as literary and critical responses to Romantic writers the volume addresses a variety of discursive modes and genres and brings to light a number of authors not normally included in the longstanding category of Victorian Romanticism on the Romantic side not just Wordsworth Keats and P B Shelley but also Byron S T Coleridge Thomas De Quincey Mary Shelley and Mary Wollstonecraft and on the Victorian side not just Thomas Carlyle and the Brownings but also Sara Coleridge George Eliot Elizabeth Gaskell Archibald Lampman and J S Mill Contributors include D M R Bentley Kristen Guest Joel Faflak Grace Kehler Donelle Ruwe Alan Vardy Lisa Vargo Timothy J Wandling Joanne Wilkes and Julia M Wright
