Sarah Mother Of Nations:

Sarah Tammi Joy Schneider,2004 *Sarah* Tammi J. Schneider,2004-10-19 Schneider contends that Sarah is the mother of all nations in much the same way that traditional biblical scholarship has contended that Abraham is the father of all nations **Sarah** Wendy Virgo,2001-03 Abraham s wife Sarah was one of the first links in the chain of faithful people who believed God and obeyed him This book tells of her life and shows how the response of individuals to the call of God can affect history **Sarah, Mother of Nations** Angelique Conger,2023-11-03 Nothing is impossible for Jehovah As Sarai later renamed Sarah faces challenges and sorrow she sometimes forgets this truth Although He promised her and Abraham a large posterity not a single child had yet been born and she had passed the time for child bearing Could she trust the promise and receive the coveted child Promised blessings never shielded Sarah from danger As she faced priests desiring to sacrifice her husband storms threatening to overwhelm them and powerful rulers desiring her Sarah maintained her faith in Jehovah and his ability to save them But the time had passed for the promised children In her old age and dry womb doubts test her confidence in God Is it imaginable Sarah Mother of Nations first in the Women of the Covenant series tells the unforgettable story of Sarah and Abraham who refuse to give up on each other or Jehovah for with him All is possible Get it now

Searching for Sarah in the Second Temple Era Joseph McDonald,2020-02-20 Seeking to build upon recent scholarship based on Biblical women Joseph McDonald uses a character centered literary approach to read the story of Sarah as it was told and retold in the Second Temple period McDonald offers an alternative to the usual approaches to rewritten Bible narratives which often emphasize near context synoptic comparison of retold stories and their scriptural precursors arguing that examination of retold narratives as narratives reveals important aspects of their internal literary effects that may otherwise go unnoticed Taken together McDonald suggests that such readings reveal one of Sarah s trans narrative or deep traits as a curious multi faceted resemblance to the character of Abraham The richness of her images however shows that this resemblance is not the ultimate distillation of Sarah but a symptom of the kind of restriction that she consistently faces in this literature McDonald concludes that creative readings of the narratives featuring Sarah in the Hebrew Bible the Septuagint the Genesis Apocryphon and the Jewish Antiquities of Josephus illuminate Sarah as a complex and sometimes contradictory figure whose individuality and agency often struggle to escape limitations placed upon her both by other characters such as Abraham and God and by the narrators of her tales **Mothers of the Nations: Indigenous**

Mothering as Global Resistance, Reclaiming and Recovery Lavell Memee. Harvard,2014-10-01 The voices of Indigenous women world wide have long been silenced by colonial oppression and institutions of patriarchal dominance Recent generations of powerful Indigenous women have begun speaking out so that their positions of respect within their families and communities might be reclaimed The book explores issues surrounding and impacting Indigenous mothering family and community in a variety of contexts internationally The book addresses diverse subjects including child welfare Indigenous

All of the Women of the Bible Edith Deen, 2012-10-23 A comprehensive history with more than 300 biographies of every woman in the Bible both the named and nameless the famous and infamous All the Women of the Bible offers a rich biographical perspective on every female figure in scripture including the famous the little known and even the unnamed In more than 300 engaging and insightful portraits Edith Deen brings alive the saints and sorceresses queens and servants mothers and daughters wives and widows whose profound influence is felt through out the Bible You can almost trace light and darkness in the Bible by the women themselves she writes Hannah praying mother of Samuel gave birth to a son who became the first great Hebrew prophet And of course there was the mother of Jesus On the other hand Jezebel and Herodias were vile influences the first tearing apart the northern kingdom of Israel the second causing John the Baptist to be beheaded Combining thorough detail with a lively and dramatic narrative All of the Women of the Bible portrays the real women behind the Biblical stories and shows how in their human struggles and triumphs they are very much like the women of today With each major biography identified by Bible chapter and verse and prefaced by a key passage of scripture this is an ideal resource for teachers Bible students preachers and writers as well as anyone who wants to learn what it was really like to be a woman in Biblical times

Daughters of Eve Martyn Whittock, Esther Whittock, 2021-03-19 Women play an immensely important role in the Bible from Eve to the Virgin Mary Sarah to Mary Magdalene Naomi to the anonymous woman suffering severe menstrual bleeding who was healed by Jesus They are a sisterhood of faith As such they challenge many of our assumptions about the role of women in the development of the biblical story about the impact of faith on lives lived in the heat and dust of the real world Here we will meet the prostitute who ended up in the genealogy of Jesus a national resistance fighter a determined victim of male sexual behaviour who challenged patriarchal power a far from meek and mild mother of Jesus a woman whose life has been so misrepresented that she is now the subject of the most bizarre conspiracy theories and more Renowned historians and Biblical scholars Martyn and Esther Whittock take the reader on a fascinating journey one unafraid to ask difficult questions such as Was Eve set up to fall

The Sarah Anointing Michelle McClain-Walters, 2022-04-05 FROM BEST SELLING AUTHOR MICHELLE MCCLAIN WALTERS When your faith fails God prevails This book will teach you how to live out your nature as an active participant in God's vision Sarah was a loyal wife who followed her husband Abraham when God spoke to him Even when Abraham made mistakes she still called him lord She is an example of a woman with a submitted spirit who responded biblically to her husband without losing her identity Sarah was an active participant in God's vision perhaps too active as she ran ahead of God and tried to fulfill His covenant in her

own timing She also laughed at the possibility of a miracle But when God changed Sarah s name He changed her nature The name change linked her to Abraham in co rulership including her in God s covenant promise which was fulfilled by the couple s working together Sarah s example shows us that God has included women in His purposes and plans throughout history and will include them in the next great awakening Her life is a positive lesson in faith that breaks personal limitations Also Available in Spanish ISBN 978 1 62999 767 4 OTHER BOOKS BY MICHELLE MCCLAIN WALTERS Chosen 2019 ISBN 978 1629996530 The Hannah Anointing 2019 ISBN 978 1629995670 The Ruth Anointing 2018 ISBN 978 1629994635 The Anna Anointing 2017 ISBN 978 1629989471 The Deborah Anointing 2015 ISBN 978 1629986067 The Esther Anointing 2014 ISBN 978 1621365877 *Mothers of Promise* Tammi J.
