A Companion to First Ladies Katherine A.S. Sibley, 2016-03-14 This volume explores more than two centuries of literature on the First Ladies from Martha Washington to Michelle Obama, providing the first historiographical overview of these important women in U.S. history. Underlines the growing scholarly appreciation of the First Ladies and the evolution of the position since the 18th century. Explores the impact of these women not only on White House responsibilities but on elections, presidential policies, social causes, and in shaping their husbands' legacies. Brings the First Ladies into crisp historiographical focus, assessing how these women and their contributions have been perceived both in popular literature and scholarly debate. Provides concise biographical treatments for each First Lady.

Southern First Ladies Katherine A. S. Sibley, 2021-01-20 *Southern First Ladies* explores the ways in which geographical and cultural backgrounds molded a group of influential first ladies. The contributors to this volume use the lens of Southernness to define and better understand the cultural attributes, characteristics, actions, and activism of seventeen first ladies from Martha Washington to Laura Bush. The first ladies defined in this volume as Southern were either all born in the South, specifically the former states of the Confederacy, or their slaveholding neighbors like Missouri, or else lived in those states for a significant portion of their adult lives. Women like Julia Tyler, Hillary Clinton, and Barbara Bush. Southern climes indelibly shaped these women and, in turn, a number of enduring White House traditions. Along with the standards of proper behavior and ceremonial customs and hospitality demanded by notions of Southern white womanhood, some of which they successfully resisted or subverted. Early first ladies including Martha Washington, Dolley Madison, Julia Tyler, and Sarah Polk were also shaped by racially based societal and cultural constraints typical of the eighteenth and nineteenth centuries, some of which have persisted to the present day. The first nine women in this volume, from Martha Washington to Julia Grant, all enslaved others during their lives inside or outside the White House. Among the seven first ladies in the book's last section, Ellen Wilson, for example, was profoundly influenced by the reformist ethos of the Progressive Era and set an example for activism that five of her Southern successors, Lady Bird Johnson, Rosalynn Carter, Barbara Bush, Hillary Clinton, and Laura Bush, all emulated. By contrast, Ellen's immediate successor in the White House, Edith Wilson, enthusiastically celebrated the Lost Cause. *Southern First Ladies* is the first volume to comprehensively emphasize the significance of Southernness and a Southern background in the history and work of first ladies and Southernness's long-standing influence for the development of this position in the White House as well as outside of it.
