Sarojini Naidu An Introduction To Her Life Work And Poetry:

Sarojini Naidu Vishwanath S. Naravane,1996 Sarojini Naidu's interests and passions were many books poetry people conversation food gardens folklore handicrafts and travel As a poet she had perhaps the finest ear among Indians for the English language As a public speaker she impressed the most sophisticated audiences As a political worker her courage and conviction embarrassed her detractors As a proponent of women's rights she won over numerous chauvinists **Sarojini Naidu** Vishwanath Shridhar Naravane,1980 Encyclopedia of Life Writing Margaretta Jolly,2013-12-04 First published in 2001 This is the first substantial reference work in English on the various forms that constitute life writing As this term suggests the Encyclopedia explores not only autobiography and biography proper but also letters diaries memoirs family histories case histories and other ways in which individual lives have been recorded and structured It includes entries on genres and subgenres national and regional traditions from around the world and important autobiographical writers as well as articles on related areas such as oral history anthropology testimonies and the representation of life stories in non verbal art forms **Women of India** Harshida Pandit,2017-04-07 The status and position of Indian women have undergone many changes since the high status they enjoyed in the Vedic era yielded to forced suicide during the dark ages female infanticide purdah child marriages and the denial of property and political rights This book first published in 1985 provides a comprehensive annotated bibliography to those years and the years that followed of the relentless liberation struggle by women on the socio political and legal fronts Anglophone Indian Women Writers, 1870-1920 Ellen Brinks,2016-04-15 The result of extensive archival recovery work Ellen Brinks's study fills a significant gap in our understanding of women's literary history of the South Asian subcontinent under colonialism and of Indian women's contributions and responses to developing cultural and political nationalism As Brinks shows the invisibility of Anglophone Indian women writers cannot be explained simply as a matter of colonial marginalization or as a function of dominant theoretical approaches that reduce Indian women to the status of figures or tropes The received narrative that British imperialism in India was perpetuated with little cultural contact between the colonizers and the colonized population is complicated by writers such as Toru Dutt Krupabai Sathianadhan Pandita Ramabai Cornelia Sorabji and Sarojini Naidu All five women found large audiences for their literary works in India and in Great Britain and all five were also deeply rooted in and connected to both South Asian and Western cultures Their works created new zones of cultural contact and exchange that challenge postcolonial theory's tendencies towards abstract notions of the colonized women as passive and of English as a de facto instrument of cultural domination Brinks's close readings of these texts suggest new ways of reading a range of issues central to postcolonial studies the relationship of colonized women to the metropolitan literary culture Indian and English women's separate and joint engagements in reformist and nationalist struggles the translatability of culture the articulation strategies and complex negotiations of self identification of Anglophone Indian women writers and the significance and place of cultural difference
