Satan Stalking:

No Ordinary Stalking June Ti, 2017-01-03 Organized stalking is carried out by an enthusiastic and structured group that has cruel intentions stalk harass injure financially ruin and mentally crumple human prey until incapacitation occurs What sets this crime apart is that innocents are picked off the street There is no getting away from the stalkers and no getting away from the unusual technology that is used to take over someone's life For the first couple of months says June I thought it was a sick game Now that I've been tormented for years well it's clear that organized stalking is a sophisticated crime that follows a step by step process to leave the victim as bare and isolated as the dead tree on the cover He or she may still be standing but that's about it I'll sum it up this way Veiled intimidation ensures that targeted individuals are viewed by the public as free people which they are not They are playthings to their controllers Hostages in plain sight Victims are quite literally owned yet have limited chance of rescue because their desperate circumstances are misunderstood Some die from the violence Some die from suicide And the rest merely exist Organized stalking is worldwide and is called gang stalking in some areas The electronic harassment that accompanies organized stalking is also known as covert harassment

Satan Stalking Dorothy Marie England, 1993-11-01 *Stalking Is Not Love* MARIE JONES, 2014-06-26 Stalking is not love is my account of what my family and I have gone through since I left my ex husband It details 3 years of us being stalked from high speed chase to emails I refuse to live a life of fear a life that is non functional I will not feel guilty about not loving someone A person has the right to end a relationship if they are not happy the right not be harassed or stalked Stalking is not love it is a crime It also is one of the hardest crimes to be convicted of I know because I am currently experiencing this very situation I receive emails phone calls and have had the passwords on personal accounts changed because the stalker knows my SSN The stalker parks his car down the street from my home and sits for hours When he gets fed up he rings my doorbell angrily and leaves These are just a few of the things I go through daily I know there are others who are going through the same thing that I am currently experiencing Some who are hurt or has lost their lives Maybe our stories can come together and form a band of women men boys girls people or simply the stalked and be heard We need help Stalking is not love I have a father that has loved me since birth My father protected me and kept me safe I have five brothers that love me dearly I know what it is like to be truly loved by a man I have a heavenly father that loves me unconditionally and protects me God is my source and refuge A person would not hurt what they love
