The Gospel-Narrative, According to the Authorized Text of the Evangelists ... By the Rev. John Forster ... The Third Edition, Corrected ,1847 **The Gospel-Narrative, According to the Authorized Text of the Evangelists, Without Repetition Or Omission. With a Continuous Exposition, Marginal Proofs in Full, and Notes, Briefly Collected from the Best Critics and Commentators. By the Rev. John Forster ... The Second Edition** ,1845 **Gnomon of the New Testament** John Albert Bengel,2023-10-01 Reprint of the original first published in 1873 **Jesus, Deliver Us** Willard M. Swartley,2019-06-04 Deliver us from the evil one is the heart s cry from the Lord s Prayer Evil wears many faces in our modern world This book connects the Lord s Prayer to troubles of our times be it attacks from Satan the wars around the world the scourge of racism or the mass shootings of our time The subtitle of the book identifies the scope This book blends both deliverance from demonic bondage and witness to the powers in relation to political policies and government While the book aims to be a biblical theology on these topics it seeks also to address the praxis how these evils are confronted through healing deliverance ministries and what people of God say and do in witness to the powers The two streams of response to evil are really one as a faithful response to the saving work of the Lord God Almighty through Jesus Christ s victory over Satan sin evil and death Love your enemy confronts evil with power to transform The Parables of Jesus Paul Winton

Saunders,2022-10-09 Parables of Jesus examines Jewish customs during biblical times to reveal lessons on life living and walking with the Lord You ll encounter the figures that Jesus used in his stories the unjust judge who neither feared God or man the self righteous Pharisee and the humble publican in the temple the fickle children in the marketplace the unforgiving servant and others exhibiting traits as compassion jealousy and greed Pastor Paul Saunders makes the point that Jesus was appalled with the hypocritical nature of Jewish religious leadership They made a great show of righteousness but their behavior was corrupt and Jesus was not afraid to call it out The parables are brilliant relevant pithy and personally challenging Jesus uses everyday activities with which we are all familiar to illustrate a deeper truth Although numerous scholars have written about the parables of Jesus this book takes a fresh approach looking at them in context and exploring the relevance they have today *When the Lord Made the Tempter* Donald Peart,2013-04-10 This book is written to show why the tempter called the serpent is junior to Jesus and mankind That is the tempter cannot usurp authority over us because the Lord created mankind before the tempter Yet above all our seniority that the Lord has given us is the seniority of Jesus the superpower of Jesus and the super authority that Jesus holds above the tempter This book is also written to highlight Biblical principles that refute many of the erroneous teachings relative to the tempter These teachings are out of line with God s point of view and I do understand that some of these teachings were learned from past generations The Holy Bible, Containing the Old and New Testaments ,1842 **The New Testament** ,1832
