Satan Strike:

The Satan Ryan E. Stokes, 2019-07-09 Many people today think of Satan as a little red demon with a pointy tail and a pitchfork but this vision of the devil developed over many centuries and would be foreign to the writers of the Old Testament where this figure makes his first appearances The earliest texts that mention the Satan it is always the Satan in the Old Testament portray him as an agent of Yahweh serving as an executioner of evildoers But over the course of time the Satan came to be regarded more as God's enemy than God's agent and was blamed for a host of problems Biblical scholar Ryan E Stokes explains the development of the Satan tradition in the Hebrew scriptures and the writings of early Judaism describing the interpretive and creative processes that transformed an agent of Yahweh into the archenemy of good He explores how the idea of a heavenly Satan figure factored into the problem of evil and received the blame for all that is wrong in the world

Satan's Super Soldiers Barry Blackstone, 2024-04-30 Barry Blackstone has been fascinated with the biblical reference to giants since childhood but only began looking deeper into the subject when he was challenged by a member of his congregation twenty five years ago Over those years Blackstone compiled information on all the named giants and those that slew them men well known like David Joshua and Caleb and those not so well known like Othniel Elhanan and Abishai Coming to the conclusion that this race of super humans was a product of Satan's plan to corrupt man stop the coming of the Messiah and resist the Hebrews from possessing their promised land Blackstone began to see the principles and precepts needed to combat the giants of our day in our spiritual warfare against principalities against powers against the rulers of the darkness of this world against spiritual wickedness in high places Eph 6 12 Travel with this pastor through the Bible as he reveals the origin of the giants how they survived the Flood and when they were finally wiped out in the days of David With strange names like Rephaim OG Arba Anak Sheshai and of course Goliath learn about their fabled size their formidable weapons and why they all were so easily defeated This exploration will cover some of the greatest battles described in Scripture and will uncover how to win against gigantic foes personally Each chapter is written in a devotional style that will bring a spiritual encouragement to the reader and will help them see that no matter how invincible the adversary What shall we then say to these things If God be for us who can be against us Rom 8 31
