nature of evil and injustice mount social crusades construct a national identity and express anxiety about matters as diverse as the threat of war to the dangers of deviant sexuality The idea of the monstrous and the bizarre providing cultural metaphors that interact with historical change is not new Poole takes a new tack by examining this idea in conjunction with the concerns of American religious history The book shows that both the range and the scope of American religiousness made theological evil an especially potent symbol Satan appears repeatedly on the political religious and cultural landscape of the United States a shadow self to the sunny image of American progress and idealism **The Satanism Scare** Joel Best, 2017-09-29 Although there is growing concern over Satanism as a threat to American life the topic has received surprisingly little serious attention Recognizing this the editors of this volume have selected papers from a wide variety of disciplines broadly covering contemporary aspects of Satanism from the vantage points of studies in folklore cults religion deviance rock music rumor and the mass media All contributors are skeptical of claims that a large powerful satanic conspiracy can be substantiated Their research focuses instead on claims about Satanism and on the question of whose interests are served by such claims Several papers consider the impact of anti Satanism campaigns on public opinion law enforcement and civil litigation child protection services and other sectors of American society The constructionist perspective adopted by the editors does not deny the existence of some activities by real Satanists and two papers describe the workings of satanic groups Whatever the basis of the claims examined and analyzed there is growing evidence that belief in the satanic menace will have real social consequences in the years ahead **Prayer to Secure Golden Breakthrough Job** Tella Olayeri, 2022-07-29 This is an employment revolutionary prayer book that gives vital ingredients and vivid answer to interview success for applicants facing harsh or hostile slogans in the wilderness of unemployment Every job seeker should possess motivating and challenging spirit that can take them to places and escape from long arm of unemployment This book therefore stands in gap to give applicants competitive edge to excel at interviews It gives boldness confidence technical and concrete answers to great interview questions Also it shall sharpen applicant s intelligence and serve as pill against anxiety that often leads to failures at interviews There is no better guide counsel or solution for job search success than this book **The Light and the Glory for Young Readers** Peter Marshall, David Manuel, Anna Wilson Fishel, 2011-11 These young readers editions of the popular history texts reveal how God was at work in America s history from the very beginning For ages 9 to 12 **Light and the Glory, The** Peter Marshall, David Manuel, 2009-06-15 Now revised and expanded for the first time in more than thirty years this classic will now be available for a new generation of readers
