Forthcoming Books Rose Arny, 1990 [Seriously Funny](#) Barbara Hamby, David Kirby, 2010 Can serious poetry be funny Chaucer and Shakespeare would say yes and so do the authors of these 187 poems that address timeless concerns but that also include comic elements Beginning with the Beats and the New York School and continuing with both marquee name poets and newcomers Seriously Funny ranges from poems that are capsized by their own tomfoolery to those that glow with quiet wit to ones in which a laugh erupts in the midst of terrible darkness Most of the selections were made in the editors' battered compact car otherwise known as the Seriously Funny Mobile Unit During the two years in which Barbara Hamby and David Kirby made their choices they'd set out with a couple of boxes of books in the back seat and whoever wasn't driving read to the other When they found that a poem made both of them think but laugh as well they earmarked it Readers will find a true generosity in these poems an eagerness to share ideas and emotions and also to entertain The singer Ali Farka Touré said that honey is never good when it's only in one mouth and the editors of Seriously Funny hope its readers find much to share with others [Satan's Story](#) Chris Matheson, 2016-09-15 In this comedic postscript to The Story of God we finally get to hear Satan's side of the biblical story God and by extension the Jesuses may get all the love but what about

Subject Guide to Books in Print, 1993

Jesus the Winemaker: Satan's Most Effective Lie Al Lunden, Alice Lunden, 2011-11-04 Satans most effective lie What conceivable falsehood would be more devastating to Christianity than the false inference that Jesus was and is a maker and user of wine or of any other mind altering drug Jesus was a man of perfection and without sin Is drug use not a sin This book provides a solid and perhaps somewhat revolutionary biblical hypothesis to firmly prove that Moses did not use wine and that Jesus did not make or use any wine This hypothesis is based entirely on the original Hebrew and Greek Scriptures because the Hebrew word yayin and the Greek word oinos were falsely or inadequately translated into Latin and into other European languages at some time after the hostile takeover of the New Testament Church in Rome by Constantine the Great This conclusion is supported by Strongs Exhaustive Concordance of the Bible and by his Hebrew and Greek dictionaries by the books of Dr Robert P Teachout and Dr Samuel Bacchiocchi by the Full Life Study Bible edited by Donald C Stamps and by the Hebrew Greek Key Word Study Bible and Lexicons of Spiros Zodhiates Satan is to blame for this false translation as he is as Hal Lindsey once said Alive and well on planet Earth and has overwhelming power when we allow him dominion Those ancient words for wine and grape juice were all generic or interchangeable in literature even until the King James Version of the Bible was printed The original KJV is actually acceptable but the absolute inerrancy and infallibility of Scripture have been faulted by the false translation of wine in modern Bibles since that time Another proposed biblical hypothesis states that Satan inspired the equivalent of a hostile corporate takeover of the New Testament Church in Rome This was done through Emperor Constantines agreement to cease the persecution and genocide of Christianity if he and his army were given key positions of respect or authority in the church This resulted in the world s most powerful union of church and state the Holy Roman Catholic Church which has now existed for many centuries
