Satellite Communications Systems and Technology Burton I. Edelson, Joseph N. Pelton, 1995-01-15 Satellite Communications Systems and Technology **Scientific and Technical Aerospace Reports**, 1994 Satellite Communications Systems and Technology Report DIANE Publishing Company, 1994-01-01 Experts conducted on site visits to a variety of research labs industrial facilities government agencies and operational centers around the world They visited 6 European countries Japan and Russia some 40 different organizations and facilities in all to access technical progress and deployment of both experimental and operational communications satellite systems Conclusions the U S has lost its leading position in many critical satellite communications technologies and the market share of the U S satellite communications industry is at risk **Air Force Magazine**, 1993-07 *The Rise of the Commercial Space Industry* Brian C. Odom, 2024-09-13 This collection explores the evolution of the commercial space industry from the beginning of the space age through the early twenty first century Today the space industry is taking on an increased leadership and innovation role in both space access and exploration The growth of commercial space over the past decades offers a potential new paradigm for space exploration one in which industry transitions from supplier to partner However many questions remain This book seeks to bring to light these questions which span from the most seemingly consequential how will humanity explore the Moon and Mars to the most basic what is commercial space To further develop the historical context of commercial space and thereby better inform decision making at NASA in the future this volume examines a broad range of questions related to the history of commercial space operations including but not limited to how has the concept of commercial space evolved in different fields and disciplines What have been the major events and milestones in the emergence and evolution of commercial space activities in the USA and internationally How has the US Government assisted or impeded the emergence and evolution of commercial space activities Providing contributions from a range of different disciplines and backgrounds the authors of this volume offer valuable insights for scholars researching the history of space and space policy as well as decision makers working at NASA or within the wider space industry *Japanese Technical Literature Bulletin*, 1993 Dynamics of Meteor Outbursts and Satellite Mitigation Strategies Glenn E. Peterson, 1999 The potential threat posed by Leonid meteoroids to orbiting spacecraft over the next several years calls for new dynamic mitigation strategies to assist the satellite community in reducing the danger to its vehicles This book offers deliberate dynamic mitigation strategies to complement the traditional shielding strategies providing mission operators additional ways to decrease the danger Five different attitude control and orbit maneuvering options are examined in detail The information is presented in algorithmic form to allow technically competent but meteoroid inexperienced operators to easily understand the phenomena assess the danger and implement procedures Although general in scope the book emphasizes the Leonid meteor events of the 1998 2002 timeframe Y2K in Orbit United States.
