ENCOUNTERS with GOD William K. Dorrance, 2025-05-20 Read this book to learn facts which support religious beliefs why and how God communicates with humanity why bad things happen to good people about the evidence for God souls and an afterlife why the evidence is ignored by science and Christianity about the continuation of thinking seeing and hearing near death experiences when the body is clinical dead what mediums channeling and between lives regression reveal about life after death what the experience of empathy reveals about you about contemporary Jesus like spiritual teachers where and how to experience your soul why human behavior wars conflicts and crimes has not improved despite science s achievements **Source of the Dream** Robert Priddy, 1997-01-12 The influence of the Universal World Teacher in the figure of Sri Sathya Sai Babaa supremely beneficent renewer of moral life and spiritual faith has already reached the far corners of the Earth Yet this Avatar His miracles and teachings are still a greeat mystery to even those who are acquainted

with Him Source of the Dream is thoroughly researched and gives an objective appreciation of Sai Baba's teachings about spirituality and modern science Priddy gives an indepth analysis of Sai Baba's miraculous actions and words He includes investigations he made with the late professor N Kasturi Sai Baba's official biographer into how Sai Baba's earlier teaching have been written or recorded edited translated published and authenticated Some common misunderstandings about interpretation and application of the teachings and of Baba's own words are discussed Priddy included color photographs of Sai Baba and some of His miraculous manifestations Robert Priddy shares his experiences both subtle and direct which ultimately led him to a life transformation He appeals to both devotees and newcomers to Sai's teaching explaining how Sai Baba reaches out to those in need over great distances and what it's like to visit Sai Baba's ashram and attend an interview with Him For devotees Priddy shares his accounts of Sai's emanation of mystery and grace with balanced reflections upon their likely purpose and meaning *The Hagiographer and the Avatar* Antonio Rigopoulos,2021-04-01 In this biographical study Antonio Rigopoulos explores the fundamental role of a hagiographer within a charismatic religious movement in this case the postsectarian cosmopolitan community of the Indian guru Sathya Sai Baba The guru's hagiographer Narayan Kasturi was already a distinguished litterateur by the time he first met Sathya Sai Baba in 1948 The two lived together at the guru's hermitage more or less continuously from 1954 up until Kasturi's death in 1987 Despite Kasturi's influential hagiography Sathya Sivam Sundaram little scholarly attention has been paid to the hagiographer himself and his importance to the movement In detailing Kasturi's relationship to Sathya Sai Baba Rigopoulos emphasizes that the hagiographer's work was not subordinate to the guru's definition of himself Rather his discourses with the holy man had a reciprocal and reinforcing influence resulting in the construction of a unified canon Furthermore Kasturi's ability to perform a variety of functions as a hagiographer successfully mediated the relationship between the guru and his followers Drawing on years of research on the movement as well as interviews with Kasturi himself this book deepens our understanding of this important pan Indian figure and his charismatic religious movement Tread Softly Tina K.
