Saties Sad Piano:

The Erik Satie Piano Collection Including: 3 Gymnopedies, Gnossienes, 3 Nocturnes, Descriptions Automatique and Many Others by Erik Satie for Solo Piano Erik Satie, 2013-01-17 This wonderful collection by Erik Satie contains scores for the solo piano. It is a fine example of the composer's work and a fantastic addition to any classical musician's repertoire. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce. We are republishing these classic works in affordable, high-quality modern editions using the original text and artwork.

Sonatine Bureaucratique by Erik Satie for Solo Piano (1917) Erik Satie, 2013-04-26 Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high-quality modern editions using the original text and artwork. **Satie's Sad Piano** Carolyn Marie Souaid, 2005 Canadians tuned into radio get the official word sometime after 3 PM: former Prime Minister Pierre Elliott Trudeau is dead at 80. And while the country busies itself dealing with the aftershock, the news topples Venus, a 50-something woman who suddenly unexpectedly embarks on a painful downward spiral through memories of a past relationship, including an extended flashback to 1968, the height of Trudeaumania and an incendiary time for passion and the imagination. Montreal still pumped and aglow from Expo 67 is the Paris of North America and an exhilarating backdrop for new love. But Venus isn't the only one with memories to share. Satie's *Sad Piano* is a long poem charting the convergent deaths of Pierre Elliott Trudeau, a love affair and a fetus through the intersecting voices of an unlikely cast of characters among them Radio Mont Royal, a series of old love letters and a modern-day apostle. Here, in the guise of poetry, is Quebec society freed from the tyranny of religion. Enter the mind of the emancipated woman and discover what happens when someone comes along out of nowhere and shakes up the mix. It is about the world a little less grey, a little less safe. It is about putting all your eggs in one basket and going for broke about risking everything for your one chance at living. **Eye hEar The Visual in Music** Simon Shaw-Miller, 2017-07-05 *Eye hEar The Visual in Music* employs the concept of the visual in proximate relation to music, producing a tension: is it not the case that there is a gulf between painting and music, between the visible and the audible? One is full of colour and light yet silent; one is invisible and marvellously noisy. Such a belief, this book argues, betrays an ideological constraint on music, desiccating it to sound and art to vision. The starting point of this study is more hybrid and hydrating: that music is never employed without numerous and complex intersections with the visual. By involving the concept of synaesthesia, the book evokes music's multi-sensory nature, stops it from sounding alone and offers music as a subject for art historians. Music bleeds into art and visuality in its graphic depiction in notation in the theatre of performance, its sights and sites. This book looks at music in its absolute guise as a model for art at notation and the conductor as the silent visual fulcrum around which music circulates at the music and image of Erik Satie at the concert hall as white cube, at the symphonic film 2001: A Space Odyssey and at the liminality of John Cage and Andy Warhol.
