Saturday Morning Murder A Psychoanalytic Case:

The Saturday Morning Murder Batya Gur, 1993-11-30 Gur spins an intriguing mystery with international flavor and an attractive and likeable hero When a revered senior analyst is found dead at the Jerusalem Psychoanalytic Society headquarters Chief Inspector Michael Ohayon penetrates the elite mysterious world of the institute to find the killer **A Saturday morning murder** Batya Goor, 1992 The Saturday Morning Murder Batya Gur, 1992 Gur spins an intriguing mystery with international flavor and an attractive and likeable hero When a revered senior analyst is found dead at the Jerusalem Psychoanalytic Society headquarters Chief Inspector Michael Ohayon penetrates the elite mysterious world of the institute to find the killer Fatal Fictions Alison L. LaCroix, Richard H. McAdams, Martha Craven Nussbaum, 2017 Writers of fiction have always confronted topics of crime and punishment This age old fascination with crime on the part of both authors and readers is not surprising given that criminal justice touches on so many political and psychological themes essential to literature and comes equipped with a trial process that contains its own dramatic structure This volume explores this profound and enduring literary engagement with crime investigation and criminal justice The collected essays explore three themes that connect the world of law with that of fiction First defining and punishing crime is one of the fundamental purposes of government along with the protection of victims by the prevention of crime And yet criminal punishment remains one of the most abused and terrifying forms of political power Second crime is intensely psychological and therefore an important subject by which a writer can develop and explore character A third connection between criminal justice and fiction involves the inherently dramatic nature of the legal system itself particularly the trial Moreover the ongoing public conversation about crime and punishment suggests that the time is ripe for collaboration between law and literature in this troubled domain The essays in this collection span a wide array of genres including tragic drama science fiction lyric poetry autobiography and mystery novels The works discussed include works as old as fifth century BCE Greek tragedy and as recent as contemporary novels memoirs and mystery novels The cumulative result is arresting there are killer wives and crimes against trees a government bureaucrat who sends political adversaries to their death for treason before falling to the same fate himself a convicted murderer who doesn't die when hanged a psychopathological collector whose quite sane kidnapping victim nevertheless also collects Justice Thomas reading and misreading of Bigger Thomas a man who forgives his son's murderer and one who cannot forgive his wife's non-existent adultery fictional detectives who draw on historical analysis to solve murders These essays begin a conversation and they illustrate the great depth and power of crime in literature **Signatures of Struggle** Oded Nir, 2018-09-26 Signatures of Struggle offers a unique perspective on Israeli literature bringing Marxist cultural critique to bear on a field from which it has hitherto been absent Oded Nir moves beyond the dominant interpretive horizon of Israeli literary criticism the relation of literature to national ideology Rather than reproducing the usual narrative in which fiction resists the nation's goals Nir demonstrates how in each historical moment

literary engagement with national ideology is a means to think through social tensions or contradictions internal to Israeli society to solve in imagination problems that threaten the social order Focusing on moments of transformation Nir argues that the 1950s crisis of realism was the result of the failure rather than the success of the collective transformative project of the haluzim the settler vanguard of Zionism In the 1980s the postmodern turn expressed a crisis of social imagination whose origin was the incorporation of Palestinians into the Israeli economy after the 1967 war Finally he shows that the ways in which history is imaginatively reworked in contemporary Israeli fiction can only be understood through the context of 1950s and 1980s literature Authors analyzed include Yigal Mossinsohn Nathan Shaham Hanoch Bartov Yehudit Hendel Orly Castel Bloom Yehudit Katzir David Grossman Yehoshua Kenaz and Batya Gur *Gumshoes* Mitzi M. Brunsdale, 2006-04-30 The enormous explosion of crime fiction over the last decade means that more people are looking for a good mystery than ever before This dictionary of fictional detectives helps readers learn about the series in which their favorite detectives are featured Included are alphabetically arranged entries on roughly 150 fictional detectives which provide information about the works in which the detective appears the locales in which the detective operates the detective's investigative methods and other important information Helpful bibliographical citations direct the reader to other interesting works The volume closes with a selected general bibliography various appendices and an extensive index The enormous explosion of crime fiction over the last decade means that more people are looking for a good mystery than ever before Many of the most popular mystery books appear in series and these series feature carefully developed detectives **The Routledge**
