Savage Illusion:

Savage Illusion Cassie Edwards, 2003 Growing up in a white man's world Blackfoot Jolena Edmonds is haunted by visions of a handsome warrior that call her back to the world of her own people and on a trip through the Montana Territory she encounters Spotted Eagle

The Dreamcatcher in the Wry Tiffany Midge, 2024-12 The Dreamcatcher in the Wry Tiffany Midge's biting hilariously collection of essays written during the COVID 19 pandemic builds on the critical acclaim of her earlier book Bury My Heart at Chuck E Cheese's A Standing Rock Sioux citizen Midge offers up her unique satire about the foibles of politics consumerism world affairs pandemic anxieties and other subjects from the pandemic years of 2020 through 2023 The Dreamcatcher in the Wry brims with insight considering pig heart transplants wedding crashing grizzly bears truffle snuffling dogs bison petting tourists and a plethora of other animal and wildlife hijinks not to mention wienermobiles the controversial Mount Rushmore meeting Iron Eyes Cody in a parade Elizabeth Warren's quaint family lore and Buffy Sainte Marie Midge brilliantly unpacks her observations and day to day concerns through the lens of an urban raised Lakota living in the West a writer of poetry op eds church bulletins fridge magnets and Twitter posts who is allergic to horses and most outdoor recreation except for berry picking and the occasional romp through a dewy meadow Turning over the colonizer's society and culture for some good old Native American roasting Midge informs as she entertains gleaned wisdom from the incongruities of daily life with a much needed dose of Indigenous common sense

The Intelligible World James Lawler, 2014-09-26 Understanding Kant's pre critical philosophy is central to appreciating his three critiques Overshadowed by the critiques the early work stands on its own as a central contribution to the development of the philosophy of its time In addition it not only prepares the way for the critiques but constitutes a hidden background without which they cannot be adequately understood Here we find Kant's great cosmology which is what Kant later regarded as the thing in itself persisting behind his notions of the noumenon the intelligible world and the postulates of morality Although he finally decided that his grand cosmological vision could not be demonstrated what cannot be strictly known can still be conjectured justifiably believed or postulated Kant's only possible proof for the existence of God remains implicit in the first critique The only writer about whom Kant ever dedicated a major work Dreams of a Spirit Seer Elucidated by Dreams of Metaphysics was Emanuel Swedenborg Kant here explores a conjectural metaphysics of matter and spirit and further formulates the meaning of the intelligible world providing the ontological framework of his later ethics If only one of Swedenborg's documented spirit seeings was valid how feeble must the metaphysical dreams of philosophers themselves seem

Erased Patricia Owens, 2025-03-11 How a field built on the intellectual labor and expertise of women erased them The academic field of international relations presents its own history as largely a project of elite white men And yet women played a prominent role in the creation of this new cross disciplinary field In *Erased* Patricia Owens shows that since its beginnings in the early twentieth century international relations relied on the intellectual labour of women and their expertise on such subjects as

empire and colonial administration anticolonial organising non Western powers and international organisations Indeed women were among the leading international thinkers of the era shaping the development of the field as scholars journalists and public intellectuals and as heterosexual spouses and intimate same sex partners Drawing on a wide range of archival sources and weaving together personal institutional and intellectual narratives Owens documents key moments and locations in the effort to forge international relations as a separate academic discipline in Britain She finds that women s ideas and influence were first marginalised and later devalued ignored and erased Examining the roles played by some of the most important women thinkers in the field including Margery Perham Merze Tate Eileen Power Margaret Cleeve Coral Bell and Susan Strange Owens traces the intellectual and institutional legacies of misogyny and racism She argues that the creation of international relations was a highly gendered and racialised project that failed to understand plurality on a worldwide scale Acknowledging this intellectual failure and recovering the history of women in the field points to possible sources for its renewal

The Devil of Belfast ,2018-10-02 Like many young men growing up in the violent political hotbed of Northern Ireland during the 1980s Mick McNabb developed an intense revenge driven hatred for the British and the Protestant Loyalists But by the time he was eighteen Mick stood out as a type of messianic figure for the Catholics of Northern Ireland and a devil to the British authorities A combination of fiery rhetoric and brazen acts of violence force Mick to flee his beloved homeland an odyssey which takes the young Irishman to various locations around the world including a stint in the United States where he assumes a new name and identity Lulled into complacency by his middle American surroundings to the plight of those who considered him a savior Mick eventually becomes estranged from the freedom struggle in Northern Ireland Mick s previous life would eventually catch up with him however thrusting Mick McNabb back into The Troubles of Northern Ireland Initially in the good graces of the Irish Republican Army Mick s reckless exploits as well as growing cult of personality and megalomania eventually cause the IRA to consider him a liability and a detriment and the freedom fighter from Belfast soon finds himself a target of both sides in the century old conflict

Bury My Heart at Chuck E. Cheese's Tiffany Midge,2019-10-01 Why is there no Native woman David Sedaris Or Native Anne Lamott Humor categories in publishing are packed with books by funny women and humorous sociocultural political commentary but no Native women There are presumably more important concerns in Indian Country More important than humor Among the Din Navajo a ceremony is held in honor of a baby s first laugh While the context is different it nonetheless reminds us that laughter is precious even sacred Bury My Heart at Chuck E Cheese s is a powerful and compelling collection of Tiffany Midge s musings on life politics and identity as a Native woman in America Artfully blending sly humor social commentary and meditations on love and loss Midge weaves short stand alone musings into a memoir that stares down colonialism while chastising hipsters for abusing pumpkin spice She explains why she does not like pussy hats mercilessly dismantles pretendians and confesses her own struggles with white bread privilege Midge goes on to ponder Standing Rock feminism and a tweeting president all
