Savage Journey:

Savage Journey Allan W. Eckert, 1979 **Savage Journey** Allan W. Eckert, 2001-04 Eckert's skills as a naturalist previously displayed in his Newbery Award winning *Incident at Hawk's Hill* are here given full expression and armchair adventurers will soon be caught in its spell The pristine and often savage beauty of the killer rainforest is described in lush detail the reader is right there watching Once the reader has been snagged he'll be as much a captive of the magnificent forest as is Sarah Francis and just as intent as she to survive in a paradoxically terrifying and beautiful environment The reader cannot help but hold his breath Cincinnati Enquirer *Understanding Hunter S. Thompson* Kevin J. Hayes, 2025-05-08 An insightful guide to the life and literary career of gonzo journalist Hunter S. Thompson Hunter S. Thompson 1937-2005 pushed the boundaries of storytelling While the writer is most recognized for the genre bending work *Fear and Loathing in Las Vegas* 1972 in *Understanding Hunter S. Thompson* Kevin J. Hayes provides a broad and nuanced analysis of Thompson's multifaceted career and unique literary voice Following a biographical introduction Hayes examines the different roles Thompson played throughout his literary career providing a view of his work unlike any previously published biographical or critical study The ensuing chapters examine Thompson's work in his capacities as a foreign correspondent literary critic New Journalist gonzo journalist campaign writer anthologist letter writer and novelist Hayes draws on previously unrecorded articles correspondence and interviews to inform his insightful analysis Written in an engaging and propulsive style *Understanding Hunter S. Thompson* is essential reading for scholars and fans *Dating Your Mom* Ian Frazier, 2025-10-16 From the opening essay *The Bloomsbury Group Live at the Apollo* Liner Notes from the New Best Selling Album to the title piece that discusses ways in which you might begin a romance with your mother In today's fast moving transient rootless society where people meet and make love and part without ever really touching the relationship every guy already has with his own mother is too valuable to ignore to a parody that features Samuel Beckett as a pilot giving an existential in flight speech to the passengers the twenty five comic essays in this delightful collection are nothing short of brilliant Ian Frazier long considered one of our most treasured humorists proves that comedy can be just as smart as it is entertaining

Annihilation Road Christine Feehan, 2021-12-28 All paths lead to destruction in the new *Torpedo Ink* novel from 1 New York Times bestselling author Christine Feehan Savin Savage Pajari is convinced he's not worth a damn thing He's not like his brothers He's a sadistic monster a killer a man no woman could truly love So it completely throws him when a stranger risks her life for his pushing him out of the way and taking the hit that would have sent him six feet under If he had any kind of sense he'd leave her alone but Savage can't get the woman with a smart mouth and no sense of self preservation out of his head With one kiss he's lost Seychelle Dubois has spent her entire life not feeling much of anything until Savage comes along and sets her whole body on fire Kissing him was a mistake Letting him get close would be a catastrophe He's the most beautiful and damaged man she's ever met He has a way of getting under her skin and what he's offering is too tempting to

resist Seychelle knows so little about Savage or the dangerous world of Torpedo Ink but his darkness draws her like a moth to a flame Loving him could mean losing herself completely to his needs needs she doesn't understand but is eager to learn But what Savage teaches her could destroy her

The Life of Samuel Johnson, LL.D. Fear and Loathing Worldwide Robert Alexander, Christine Isager, 2018-07-26 For more than 40 years the radically subjective style of participatory journalism known as Gonzo has been inextricably associated with the American writer Hunter S Thompson Around the world however other journalists approach unconventional material in risky ways placing themselves in the middle of off beat stories and relate those accounts in the supercharged rhetoric of Gonzo In some cases Thompson's influence is apparent even explicit in others writers have crafted their journalistic provocations independently only later to have that work labelled Gonzo In either case Gonzo journalism has clearly become an international phenomenon In Fear and Loathing Worldwide scholars from fourteen countries discuss writers from Europe the Americas Africa and Australia whose work bears unmistakable traces of the mutant Gonzo gene In each chapter Gonzo emerges as a powerful but unstable signifier read and practiced with different accents and emphases in the various national cultural political and journalistic contexts in which it has erupted Whether immersed in the Dutch crack scene exploring the Polish version of Route 66 following the trail of the 2014 South African

General Election or committing unspeakable acts on the bus to Turku the writers described in this volume are driven by the same fearless disdain for convention and profound commitment to rattling received opinion with which the outlaw journalist Thompson scorched his way into the American consciousness in the 1960s 70s and beyond Johnny Depp Michael Blitz, Louise Krasniewicz, 2007-11-30 From the sweet but asocial adolescent in Edward Scissorhands to Captain Jack Sparrow in the Pirates of the Caribbean franchise Johnny Depp has brought to life some of the most challenging quirky and compelling characters in Hollywood history Often considered the quintessential outsider Depp has fascinated his fans for more than two decades This biographical study invites fans and critics alike to take a close look at the person behind the movie star his body of work as an actor and the unique set of heroes and anti heroes he has personified throughout his career
