**VISION**

The logo features the words "SAVAGE" and "VISION" in a bold, black, sans-serif font. Between the two words is a stylized graphic of two eyes, also in black. The eyes are composed of thick, curved lines that form the upper and lower eyelids, with a sharp, triangular shape in the center of each eye. The entire logo is set against a light gray background with a pattern of stylized, overlapping, leaf-like or petal-like shapes that radiate from the center, creating a sense of depth and movement.

Textual Vision Timothy Erwin, 2015-03-06 A stylish critique of literary attitudes towards painting Textual Vision explores the simultaneous rhetorical formation and empirical fragmentation of visual reading in enlightenment Britain Beginning with an engaging treatment of Pope's Rape of the Lock Timothy Erwin takes the reader on a guided tour of the pointed allusion apt illustration or the subtle appeal to the mind's eye within a wide array of genres and texts before bringing his linked case studies to a surprising close with the fiction of Jane Austen At once carefully researched theoretically informed and highly imaginative Textual Vision situates textual vision at the cultural crossroads of ancient pictura poesis doctrine and modernist aesthetics It provides reliable interpretive poles for reading enlightenment imagery offers vivid new readings of familiar works and promises to invigorate the study of Restoration and eighteenth century visual culture **Professional Journal of the United States Army**, 1998 Military Review, 1998 **Reclamation Era** United States. China's State Ideology and the Three Gorges Dam Yuen-ching Bellette Lee, 2025-06-13 This book uses the case of the Three Gorges Dam project to explore the Chinese state's use of ideology namely the political theodicy of development as a governing tactic in the reform era Presenting observations from fieldwork collected after the dam's completion it reveals communities who not only embraced their improved livelihoods but also expressed support for the mega project and the Party's leadership However the research also indicates that the effects of the ideological dissemination surrounding the project were not monolithic with the development process involving extensive struggles and contradictions including locals facing unemployment and the fragmentation of their social networks This disjuncture between the state ideology and social reality thus revealed flaws in the official imperative of political theodicy Displaying how the authoritarian rule of the Chinese state can be adaptive in modifying its mode of governance especially when faced with the unintended consequences of failures this book will be a valuable resource to students and scholars of Asian environment development politics and Chinese politics history and society **European Vision and the South Pacific Third Edition** Bernard Smith, 2022-10-05 Bernard Smith 1916 2011 was arguably Australia's greatest art historian and one of the most important humanist thinkers internationally on ideas concerning cultural contact His European Vision and the South Pacific first published in 1960 showed how the ideas of the Enlightenment and the empirical structuring of scientific and geographical knowledge during the great eighteenth century voyages of discovery affected notions of identity both for Europeans and the Indigenous peoples with whom they came in contact Not only did Smith's investigation of art science and imperialism of this period explore the conditions of frontier contact it opened up the dialogue on de colonisation and allowed us to think beyond or after it He was undoubtedly a pioneer of post colonialism and the book remains a lighthouse in pacific studies The republication of European Vision and the South Pacific is an essential part of the discourse reframing the interconnections and crossing of cultural boundaries between Europe and antipodean societies This new edition of a significant Australian classic also coincides with

L. Humphreys, 2003-03-11 In this discerning study of the relationship of the tragic vision to the Hebrew W Lee Humphreys suggests various ways in which Israel confronted the power of the tragic vision at certain points in its tradition Humphreys demonstrates how tragedy the literary genre and the tragic vision maintain a delicate but vital balance between fate and law In conclusion he contends that the tragic vision finds fullest expression at points of radical dislocation in human history At these times the essential questions of existence are reopened rehearsed and relived as the tragic vision questions all previous answers and dogmatic claims to the meaning of life **Colour Vision Deficiencies XI** B.
