Savage Armada:

Moonfeast James Axler,2010-11-01 BETRAY THE BETRAYER In the nuke conceived birth of Deathlands a rare breed of warrior survivor emerged born into suffering hardened by circumstance forged by endurance and sharpened by combat Yet in the heart of this warrior the quest to find a place of peace beats on unrelenting LAND OF THE LOST The pristine coastal waters off San Clemente become a battleground over the island and its abandoned naval station The rocky shores are rife with the sulfur mines that make Deathlands richest jack gunpowder To maintain hell fought possession a ruthless sea baron and his fleet engage rebellion from the land On this island populated by roaming bio weap nightmares engineered by predark whitecoats Ryan Cawdor is caught in a war he has no intention of fighting but has every determination to survive

Nemesis James Axler,2013-01-02 CRUEL DISPENSATION Burying the past in a nuclear cull Deathlands spares no one from its punishing assault In this grim new reality there s little to live or die for except the possibility of unlocking the mysteries of the past Ryan Cawdor and his group of fellow survivors scour the perilous land for sanctuary in a world where nothing is guaranteed but death PAROLE OF THE DAMNED Hiring on as crew to a merchant s wag train Ryan and his companions anticipate trouble as they head west toward what was once Montana The terrain is treacherous but the company is worse as anger jealousy and male rivalry erupt into chaos and death But as they get closer to their destination the true nature of the journey unfolds There s a map to a mysterious valley rich with predark stockpiles But is it the promised land they ve been seeking or the dead end they never saw coming

Chrono Spasm James Axler,2013-03-01 SURVIVAL INSTINCT Remnants of humanity have managed to regroup after a global nuclear showdown that decimated the planet But life in Deathlands is a far cry from actual living And the survivors must believe they ll find something better because surrendering to the inhospitable forces of a nuked world means giving in to death Or worse HELL FREEZES OVER Fear and human depravity permeate the frigid air in a oncedynamic Alaskan city Ryan Cawdor and his group of survivalists go on red alert the moment they set foot on the forbidding tundra but regardless they find themselves rounded up by cannibal coldhearts The companions quickly discover there s a fate much worse than becoming food Dangerous new experiments are taking place in a long abandoned military base and in the bitter heart of the frozen North new horrors reach out to poison their hope for a better tomorrow

Sins of Honor James Axler,2013-05-07 COLLATERAL DAMAGE The survivors of postnuclear America struggle against the free fall into anarchy and barbarism Hot lead keeps people sharp but it s the fire within that keeps them alive Ryan Cawdor and his band roam Deathlands searching for somewhere to call home Until then it s survival at all cost LINE OF ATTACK New Hampshire is rich with big game more than enough to feed Ryan and his hungry companions But claims to a fallen elk get ugly and Ryan is forced to chill another hunter the self proclaimed king of the Granite Highlands over the meat Soon the hunters become the hunted as the dead man s widow gives chase armed with predark tanks and heavy artillery As the kill zone widens across cannibal ridden lava fields Ryan and his group search for

leverage in the merciless landscape **Alhambra** ,1871 *Works* Washington Irving,1865 **Prodigal's Return** James Axler,2011-09-06 The landmark 100th episode of the popular series Searching for an operational redoubt Ryan and his companions go up against a ruthless band of coldhearts Seeing his long lost son is a shock especially when Dean shoots and wounds his father in a firefight Original **Hell Road Warriors** James Axler,2012-03-01 The human will to survive has sharpened to a knife edge after a century of postnuclear madness In a lawless land where firepower and savagery rule power lies with the barons and coldhearts who wield control through terror Against all odds a courageous few still fight for something better to live by honor decency and hope Emerging relatively unscathed from the apocalyptic rebirth of North America Canada hides a trove of Cold War era secret government installations known as Diefenbunkers filled with caches of weapons wags and food Ryan Cawdor and his companions agree to ride sec for a convoy headed west across the remnants of the old Trans Canada Highway to retrieve the ultimate prize four portable nuclear reactors It s enough power to light up a ville for years a bright beacon for a new tomorrow But they have death on their tail a baron and his sec men who will stop at nothing to claim the prize as their own **Palaces of Light** James Axler,2012-05-01 Remnants of America s past are littered across the postapocalyptic landscape but little remains of the predark ideals of law and order Survival is a blood quest and lethal force the means to power Still a handful retains their humanity among the coldhearts and in a world where nothing lasts forever hope is a commodity as precious as jack Steeped in beauty and mysticism the canyons of Mesa Verde Colorado survived the blast that altered the American West Hired to track a group of missing children Ryan Cawdor and his band follow the trail to a legendary city carved in stone older and stronger than the nukocaust The inhabitants of the palaces of light are more than warriors and survivors they are masters of mind games that prey on illusion And true believers in a metaphysical endgame poised to push the companions over the edge of reality into certain death **Salmagundi** Washington Irving,1897
