Earth Book 1 JK Franks,2022-09-19 Sometimes bad choices are the only ones you have In the not too distant future a devastating global attack takes place and planet Earth is on the brink of extinction In this sci fi thriller Master Sergeant Joe Kovach has been through a personal hell as he struggles to adapt to his new enhancements As battles escalate so does his determination to uncover the group who triggered this brutal extinction event that has left the planet overrun by mechanical and genetic horrors His first stop reconnect with his team of tier 1 Space Force rangers to find the Nightmare Factory a secret underground research facility that may hold the keys to not just his future but mankind's as well This impossible

mission will have him hunting for answers that can rid the world of its mistakes forever or doom it altogether it s time for him to take his place as the master warfighter the world needs Soon Kovach realizes his days are numbered unless he can find a way to use his new skills to get out alive Outside of a few areas Earth is quickly becoming inhospitable to human life Survival becomes a matter of staying one step ahead of the nightmarish horde of biological and mechanical killing machines that are taking over the world Kovach is a nearly unstoppable force and possibly the only thing standing up against humanity s possible extinction *Immemorial Devil Lord* Gui Cai,2019-10-29 He made a life and death bet with the exalted deity using the humble servant status He was the weakest of the outer sect disciples yet he could stir the entire Heaven Origin Sector Countless peerless experts went crazy because of him He was the Immortal he slayed Demons he exterminated Demons and he exterminated Demons His path was ancient and correct He was bedeviled and cursed the heavens and the earth How could a million corpses be buried under the wrath of cloth clothes One would have to bleed for a thousand miles Look at the journey of the Qin Tian Berserk Demon **Earth's Core and Crust** Brangien Davis,2007-01-12 Discusses the properties of the Earth s layers explains how plate techtonics help to form the planets geographic features and describes how earthquakes and volcanoes occur *The Greatest Lie on Earth (Expanded Edition)* Edward Hendrie,2018-09-12 This book reveals the mother of all conspiracies It sets forth biblical proof and irrefutable evidence that will cause the scales to fall from your eyes and reveal that the world you thought existed is a myth The most universally accepted scientific belief today is that the earth is a globe spinning on its axis at a speed of approximately 1 000 miles per hour at the equator while at the same time it is orbiting the sun at approximately 66 600 miles per hour All of this is happening as the sun in turn is supposed to be hurtling through the Milky Way galaxy at approximately 500 000 miles per hour The Milky Way galaxy itself is alleged to be racing through space at a speed ranging from 300 000 to 1 340 000 miles per hour What most people are not told is that the purported spinning orbiting and speeding through space has never been proven In fact every scientific experiment that has ever been performed to determine the motion of the earth has proven that the earth is stationary Yet textbooks ignore the scientific proof that contradicts the myth of a spinning and orbiting globe Christian schools have been hoodwinked into teaching heliocentrism despite the clear teaching in the bible that the earth is not a sphere and does not move This book reveals the evil forces behind the heliocentric deception and why scientists and the Christian churches have gone along with it *National program of inspection of dams* United States.
