Savage Heat:

Savage Heat Nan Ryan, 2012-10-23 A rebellious Chicago debutante seeks adventure on the frontier and is kidnapped by a Sioux warrior in a steamy romance by a USA Today bestselling author The toast of Chicago society at eighteen Martay Kidd is too wild to be satisfied with a life spent in parlors and ballrooms Bored with the big city the slender beauty hops a westbound train to join her army general father in the frontier country of Colorado But when she arrives in Denver she becomes the unwitting target of a Sioux warrior named Night Sun who seeks revenge against Martay's father for slaughtering his family years before Night Sun abducts the general's daughter stealing her away to a world that is far rougher and far more exciting than she could have ever imagined Though stubborn strange and violent Night Sun is no match for the fiery Midwestern debutante And it will not be long before the mistress of the ballroom has him dancing to whatever tune she calls

Young Milton Edward Jones, 2012-11-29 The experimental and diverse writings of John Milton's early career offer tantalizing evidence of a precocious and steadily ripening author Traditionally scholars have looked to Poems 1645 for evidence of his development as a poet and its bearing upon his career as a prose writer for over two decades but such an approach has sometimes obscured and more often ignored the unique accomplishment of Milton's early career by characterizing his juvenilia as self-conscious writing designed to chronicle artistic progression Young Milton seeks to fill a scholarly void regarding Milton's early Latin and English writing there has been no volume exclusively focused on his writing of the 1620s 1630s and the first years of the 1640s For the most part the essays in this collection reject the idea of a linear development in favor of achievement of various kinds unequal in merit and not predicated upon maturation over time Such maturity indeed may occur but the early writing of Milton results from a wide variety of occasions religious holidays family celebrations grammar school exercises and university requirements the deaths of family members ministers university officials and personal friends aristocratic celebrations and commissions This occasionality challenges the argument for the young author's uniform progress The writings explored include Lycidas one of the most celebrated elegies ever written in English and The Passion an unfinished poem declared by its author to involve a subject beyond his grasp

White Heat Dominic Sandbrook, 2015-02-05 An active pleasure to read Mail on Sunday Harold Wilson's famous reference to white heat captured the optimistic spirit of a society in the midst of breathtaking change From the gaudy pleasures of Swinging London to the tragic bloodshed in Northern Ireland from the intrigues of Westminster to the drama of the World Cup British life seemed to have taken on a dramatic new momentum The memories images and colourful personalities of those heady times still resonate today mop tops and mini skirts strikes and demonstrations Carnaby Street and Kings Road Harold Wilson and Edward Heath Mary Quant and Jean Shrimpton Enoch Powell and Mary Whitehouse Marianne Faithfull and Mick Jagger In this wonderfully rich and readable historical narrative Dominic Sandbrook looks behind the myths of the Swinging Sixties to unearth the contradictions of a society caught between optimism and decline

White Heat Cherry Adair, 2008-01-29 Never

have the stakes been higher Never have two people faced greater risks or grappled with deeper desire Never has Cherry Adair award winning author of Hot Ice burned the pages with so much blazing action and blistering passion Professional art restorer Emily Greene is in no mood to see the devil may care Max Aries She hasn't forgotten or forgiven the way Max dropped into her life a year ago stole her heart then vanished without a word Max hadn't kept in touch with his father Daniel either Daniel Aries had been a master of art restoration and reproduction and not only Emily's longtime mentor but a trusted friend His unexpected suicide devastates her And when the prodigal playboy Max returns her welcome is less than warm even though his timely arrival in her bedroom saves her from a lethal intruder But her fury gives way to fear when Max reveals that his father's death was actually murder and that Emily's life is now in danger Like it or not to stay alive Emily must put herself in Max's hands And once upon a time that wasn't such a bad place to be But what killer would target professional restorers of Renaissance artworks Max suspects that a pencil sketch found in his father's studio inscribed with a cryptic code may hold the key His hunch is confirmed when intel from his control at the counterterrorist organization T FLAC reveals that the Black Rose terror cell is involved a chilling revelation that elevates the threat level almost as high as the tension that's bristling between Max and Emily Max isn't about to take his eyes off Emily though only partly for professional reasons and even Emily's rage over Max's take charge attitude can't compare to her anger at herself for so long denying the truer deeper feelings she has for him As they crisscross Europe piecing together the shocking clues to an insidious international plot dodging increasingly lethal traps and passionately making up for too much lost time they realize that in more ways than one they can't live without each other With no chance of turning back Max and Emily must put their lives on the line put their true feelings to the test and get ready to take the heat

Feel the Heat Cindy Gerard, 2009-09-29 In New York Times bestselling author Cindy Gerard's sizzling new novel a ruthless international conspiracy is no match for the irresistible alpha heroes of Black Ops Inc A RACE FOR SURVIVAL Bold blonde Defense Intelligence officer B J Chase isn't exactly thrilled when she's summoned from personal leave to investigate an alarming national security breach until the suspicious death of a government official blows her covert mission sky high TURNS INTO A PULSE POUNDING ADVENTURE Gorgeous Black Ops bad boy Raphael Mendoza always feared his family's dark history would haunt him But he never expected it might hold the key to dismantling a rogue weapons system Now with cool B J Chase posing as his hot babe fiancée he returns to his uncle in Colombia to convince him he can be trusted with the family's dirtiest business secrets AND IGNITES A PASSIONATE FIRE Carrying out a deception among ruthless killers brings Rafe and B J too close to ignore the smoldering heat between them Now they must work together as the closest of partners as the countdown to international catastrophe closes in

Olde Penn, 1919 Sin City High Phil Cummings, *Magical Epistemologies* Anannya Dasgupta, 2021-07-21 This book began with a simple question when readers such as us encounter the term magic or figures of magicians in early modern texts dramatic or otherwise how do we read them In the twenty first century we have recourse

to an array of genres and vocabulary from magical realism to fantasy fiction that does not however work to read a historical figure like John Dee or a fictional one he inspired in Shakespeare's Prospero. Between longings to transcend human limitation and the actual work of producing, translating and organizing knowledge, figures such as Dee invite us to re-examine our ways of reading magic only as metaphor. If not metaphor, then what else? As we parse the term magic, it reveals a rich context of use that connects various aspects of social, cultural, religious, economic, legal and medical lives of the early moderns. Magic makes its presence felt not only as a form of knowledge but in methods of knowing in the Renaissance. The arc of dramatists and texts that this book draws between Doctor Faustus, The Tempest, The Alchemist and Comus. A Masque at Ludlow Castle offers a sustained examination of the epistemologies of magic in the context of early modern knowledge formation. This book is co-published with Aakar Books, New Delhi. Taylor Francis does not sell or distribute the print versions of this book in India, Pakistan, Nepal, Bhutan, Bangladesh and Sri Lanka.

Late Bloomer Melissa Pritchard, 2007-12-18. Prudence True Parker teaches a course called Advanced Personal Journey at a community college in Arizona, but her own personal journey is not really advancing. She's divorced, debt-ridden and starting to feel desperate when she meets Digby Deeds, alias Mildred Crowley, the author of the wildly successful Savage Passion romance series at her local library. When the dying Deeds offers Prudence the final forty plots of his popular series, her financial needs trump her literary aspirations and she accepts. To her astonishment, her own life soon begins to outpace Passion's fevered tales and she finds herself in the midst of a plot involving psychics, a sexy young Comanche lover, Native American activists, medicine men and even a few wolves. Quick-witted and laugh-out-loud funny, Late Bloomer follows Prue on her madcap journey as she finds her real life surpassing the wildest flights of her imagination.

Heat Pipes P. Dunn, David Reay, 2016-04-06. It is approximately 10 years since the Third Edition of Heat Pipes was published and the text is now established as the standard work on the subject. This new edition has been extensively updated with revisions to most chapters. The introduction of new working fluids and extended life test data have been taken into account in chapter 3. A number of new types of heat pipes have become popular and others have proved less effective. This is reflected in the contents of chapter 5. Heat pipes are employed in a wide range of applications including electronics cooling, diecasting and injection moulding, heat recovery and energy conservation, de-icing and manufacturing process temperature control and chapter 7 discusses some of the latest uses while retaining full data on those established for many years. Appendices have been updated as appropriate.
