Savage Storms:

Devastating Storms Janey Levy, 2019-07-15 Almost everyone has experienced a rainstorm or snowstorm at some time. They can be annoying or inconvenient. Sometimes rain, snow, and wind produce storms that wreak havoc and turn deadly. Readers of this intriguing book will learn about powerful storms such as hurricanes, tornadoes, blizzards, thunderstorms, hail, and ice storms, as well as the trail of destruction and death they leave in their wake. Absorbing and appropriate text highlights important elementary science concepts while vivid photographs convey key concepts. Captions, fact boxes, and a graphic organizer also enrich the main text.

Storms Are Faith's Workout R. C. Jette, 2018-10-04 Are you struggling with the storms of this life? Do you feel overwhelmed with the constant onslaught? This book is your help to withstand the ambushes of an enemy that wants you to give up your faith. At seventy-one years of age, my life has endured the onslaught of many storms, trials of my faith, and through them I have gained insight as to how to overcome. This book uses scriptural and personal examples. I use a sound biblical foundation to build the chapters. Only the word of God can teach the truth that is needed in this trying and overwhelming time that we live in. The faith of many Christians is being attacked, and they do not know how to rise above. This book is compiled as a result of enduring the attacks that have been directed at me by a cunning and crafty enemy. It is through the storms assailed against me that I have learned how to surmount the ambushes. It is my prayer that my years of endurance will teach others how to do likewise. It will take an effort on their part to read the book to the end, but they should come away with an understanding of God's love, with the knowledge of how to overcome the storms, and how to be standing when the storm has ceased.

Crumbling Earth Mary Colson, 2004 This book explains what happens when the land crumbles and slides. Find out why erosion happens and what we can do about our Crumbling Earth. There are loads of photos and facts to help you fully understand the topic and find answers quickly.

Spiritual Adventures Stephanie Ocko, 2003 Whether it be a pilgrimage to a holy site or a weekend drumming in a forest clearing, the spiritual holiday is becoming a popular way not only to broaden the mind but to enrich the soul. This guide equips the spiritual traveller with the tools they need to make it safe, right, and fulfilling. With a complete list of locations and detailed first-hand accounts, this is an essential companion for the ethereal tourist.

Mark David E. Garland, 2011-03-01 The NIV Application Commentary helps you communicate and apply biblical text effectively in today's context. To bring the ancient messages of the Bible into today's world, each passage is treated in three sections: Original Meaning, Concise exegesis to help readers understand the original meaning of the biblical text in its historical, literary, and cultural context; Bridging Contexts, A bridge between the world of the Bible and the world of today, built by discerning what is timeless in the timely pages of the Bible; Contemporary Significance. This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages. The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved. This unique award-winning commentary is the ideal resource for today's

preachers teachers and serious students of the Bible giving them the tools ideas and insights they need to communicate God's Word with the same powerful impact it had when it was first written *Angels Don't Cry* Janet Lilethia Harvey, 2010-06-02
