have been used down the centuries by different peoples and also training to protect oneself from harm has also been the way of life. However, such warrior training was stopped in the 19th and 20th century in many parts of the West because people were more concerned about training their children either for a profession or for taking care of a family. That is why these self-defense and body strengthening exercises slowly and steadily went out of a normal day to day's activities. From the 16th century onward, the idea began to be promulgated that it was the man's job to protect the woman and it was sinful for a woman to think of anything to protect herself because she was doing something which was contrary to her nature. Well, these were the dark ages.

Vol. 2. (of 3) THE POWER OF GOD AND HUMAN WEAKNESS Sergey Alexandrovich Nilus,

Perfecting Training Witness Lee, 1990-06-01 According to Ephesians 4:11-16 we are first told that the gifts were given. And He gave some apostles and some prophets and some evangelists and some shepherds and teachers. This is the initial step; then the result is unto the work of the ministry that is unto the building up of the Body of Christ. How could the Body be built up? By the growth in life. Then out of the growth in life the function will come: the operation in measure of each one part to cause the growth of the Body unto the building up of itself in love. Thus there is the initial stage and then there is the result. Between these two ends is the perfecting of the saints. If there is no perfecting of the saints, all the gifts given by the Head become vain. Also there will be nothing to cause the growth of the Body in life that functions may come out to build up the Body in love. The crucial and central point in this portion of the Word is the perfecting of the saints. Throughout the past years the Lord has been leading us in the ministry to perfect the saints for the growth in life so that the functions may come out to build up the Body in love.
