Saving Silverman:

Neil Diamond Laura Jackson, 2005 Annotation Neil Diamond writer and singer of some of the most memorable songs in history is the focus of this biography that looks beyond his glittering legend Readers learn of his intriguing blend of contradictions a charismatic and engaging live performer he was deeply introspective offstage and prone to bouts of crippling self doubt From his childhood struggle to get out of Brooklyn through five decades of global stardom this book marries his personal history with his public persona *Saving Silverman* Greg DePaul, Hank Nelken, 1999 **SPIN**, 2003-11 From the concert stage to the dressing room from the recording studio to the digital realm SPIN surveys the modern musical landscape and the culture around it with authoritative reporting provocative interviews and a discerning critical ear With dynamic photography bold graphic design and informed irreverence the pages of SPIN pulsate with the energy of today's most innovative sounds Whether covering what's new or what's next SPIN is your monthly VIP pass to all that rocks **He Is I Say** David Wild, 2010-08 A portrait of Neil Diamond and what he means to his fans told by a journalist who has interviewed the Jewish American Elvis *Saving Silverman* Greg DePaul, Hank Nelken, 2001 *Blood Sport* James B. Stewart, 2012-11-20 Pulitzer Prize winner James B Stewart takes readers behind the scenes in the Clinton White House as it reels in the wake of the Whitewater scandal Vincent Foster's suicide and Paula Jones' allegations of sexual misconduct In July 1993 White House official Vincent Foster wrote an anguished lament in Washington ruining people is considered a sport Nine days later Foster was dead Shock at the apparent suicide of one of President Clinton's top aides turned to mystery then suspicion as the White House became engulfed in an ever widening net of unanswered questions Among the confidential matters Foster was working on when he died was the Clinton's ill fated investment in Whitewater an Arkansas land development Soon conspiracy theories were circulating alleging that Foster was murdered because he knew too much And the Whitewater affair a minor footnote to the 1992 presidential campaign was suddenly resurrected in the national media To a degree that left them sunned and at times depressed the president and the first lady have been buffeted by a succession of scandals from the first lady's profitable commodities trading to the sexual harassment allegations of Paula Jones Like his predecessors the Clinton presidency soon found itself engulfed in allegations of scandal conspiracy and cover up Drawing on hundreds of interviews many with people speaking publicly for the first time James B Stewart also sheds startling new light on these and other mysteries of the Clinton White House In a fast paced narrative that ranges from a backwater town in the Ozarks to the Oval Office from newsrooms in New York and Los Angeles to offices of conservative think tanks and special prosecutors the result is an unprecedented portrait of political combat as it is waged in America today **Why Harry Met Sally** Joshua Louis Moss, 2017-07-18 From immigrant ghetto love stories such as *The Cohens* and *the Kellys* 1926 through romantic comedies including *Meet the Parents* 2000 and *Knocked Up* 2007 to television series such as *Transparent* 2014 Jewish Christian couplings have been a staple of popular culture for over a century In these pairings Joshua Louis Moss

argues the unruly screen Jew is the privileged representative of progressivism secular modernism and the cosmopolitan sensibilities of the mass media age But his her unruliness is nearly always contained through romantic union with the Anglo Christian partner This Jewish Christian meta narrative has recurred time and again as one of the most powerful and enduring although unrecognized mass culture fantasies Using the innovative framework of coupling theory Why Harry Met Sally surveys three major waves of Jewish Christian couplings in popular American literature theater film and television Moss explores how first wave European and American creators in the early twentieth century used such couplings as an extension of modernist sensibilities and the American melting pot He then looks at how New Hollywood of the late 1960s revived these couplings as a sexually provocative response to the political conservatism and representational absences of postwar America Finally Moss identifies the third wave as emerging in television sitcoms Broadway musicals and gross out film comedies to grapple with the impact of American economic globalism since the 1990s He demonstrates that whether perceived as a threat or a triumph Jewish Christian couplings provide a visceral easily graspable template for understanding the rapid transformations of an increasingly globalized world [Roger Ebert's Movie Yearbook 2003](#) Roger Ebert,2002-12-02 Every single new Ebert review **Oops! They Did It Again!** Matteo Molinari,Jim Kamm,2002 Almost every film from the classic to the guilty pleasure contains blunders that can be so blatant one wonders how filmmakers ever missed them In this second all new volume in the Oops series readers will discover hundreds more bloopers from Bringing Up Baby 1938 to the Oscar winning Crouching Tiger Hidden Dragon 2000 Each entry lists title credits plots non bloopers oddities fun facts and of course bloopers each described and keyed to the on a video player for easy locating *Where the Boys Are* Frances Gateward,Murray Pomerance,2005-01-18 Using the most current and diverse critical methods *Where the Boys Are* is a crucial resource for film scholars and students at any level and is the perfect companion to Gateward and Pomerance's *Sugar Spice and Everything Nice* Cinemas of Girlhood Wayne State University Press 2002
