the muddy stigmas imprinted by the pavement he scattered another shower of his nods and smiles around to signify that as his good friends would wish he thoroughly felt his legs and could walk unaided And he was in the act of doing it questioning his familiar behind the waistcoat amazedly to tell him how such a misadventure could have occurred to him of all men when a glance below his chin discomposed his outward face Oh confound the fellow he said with simple frankness and was humorously ruffled having seen absurd blots of smutty knuckles distributed over the maiden waistcoat
