

Say Amen, Somebody

A Film by
George T. Nierenberg

"Terrific, joyous,
funny, unabashedly
emotional—one of the
happiest movies in a
long, long time!"

— Roger Ebert

G. A. Agambila

Say Amen Somebody:

Say Amen Somebody, 1985 Say amen, somebody (Über Gospelmusik, O m. U) George T. Nierenberg, 1982 A joyfilled celebration of Gospel music created for the sole purpose of uplifting the spirit **Discovering African American St. Louis** John Aaron Wright, 2002 African Americans have been part of the story of St Louis since the city s founding in 1764 Unfortunately most histories of the city have overlooked or ignored their vital role allowing their influence and accomplishments to go unrecorded or uncollected that is until the publication of *Discovering African American St Louis A Guide to Historic Sites* in 1994 A new and updated 2002 edition is now available to take readers on a fascinating tour of nearly four hundred African American landmarks From the boyhood home of jazz great Miles Davis in East St Louis Illinois to the site of the house that sparked the landmark Shelley v Kraemer court case the maps photographs and text of *Discovering African American St Louis* record a history that has been neglected for too long The guidebook covers fourteen regions east and west of the Mississippi that represent St Louis s rich African American heritage In the words of historian Gary Kremer No one who reads this book and visits and contemplates the places and peoples whose stories it recounts will be able to look at St Louis in the same way ever again **Selected Short Subjects** Alfred Colo, 2013-09-17 Octogenarian author Alfred Colo celebrated his eighty sixth birthday in December of 2012 with the completion of this his eleventh self published work with Xlibris Publishing Co expected to become available in early 2013 His early origins as a singer song writer have come full circle from modest creative love lyrics to full blown mature poetry writings with a passion for words extending well beyond the mere expressions of love With an ever growing appetite Colo knew that the time to go public was now or never and worthy enough to share before the flame of his torch was extinguished Alfred took up permanent residence in the growing smallish town of New Fairfield CT after a set of compelling circumstances led him to exit the Big Apple where he spent the greater part of his formative years to taking on a new role as companion caregiver to a long standing friend victim of a stroke The author currently pursues active completion of his prolific outpourings on a wide range of subjects outlined in Other books by the author found on the rear cover of this book While still going like sixty at a white heat rate he may put other writers half his age to shame His yet unpublished collections grown over years of maturation and perfecting are only now expected to be laced in book form wrapped in ribbons and garnished with final trappings of publications bows Colos quest to finalize as much of his lifes legacy as possible has he states kept him alive longer than any expectation he allowed himself even to conjure Late fame alas may arrive postumously though most assuredly without the fortunes of success in this world You cant take with you what cant be spent beyond the grave Far greater however are the riches other than notoriety and fame he expects will endure through generations of time to come **Chapters In Verses** Alfred Colo, 2010-10-26

Panhandle Dreams Gwen Parker Ames, 2002 Martin Luther King Jr s powerful I Have a Dream speech gained greater notoriety after his untimely death in the sixties Millions of black Americans were motivated to grab a piece of King s dream

despite not knowing how to make it a reality The novel *Dream in the Panhandle* paraphrases King's famous speech to illuminate the complexities involved in a society's movement toward equality The story told through the writings of twelve year old Indigo Douglas is set in racially segregated Tallahassee Florida the day after the news of King's assassination came across the radio waves Indigo's parents reaction to King's death causes her to look beyond the world of her close knit colored community to examine the lives of whites for the first time Her examination begins with the affluent Whittner family who is her Aunt Sadie's employer As the nation grieves deeply held family secrets are revealed and trigger chaos within the Douglas and Whittner families forcing them to see their commonality as well as their differences Indigo's father goes to prison as a result of his pro King activism Mr Whittner risks his wealth as he reveals his Jewish heritage Indigo's mother embraces her previously unacknowledged bi racial identity while Mrs Whittner remains vehemently intolerant The contradictions between race culture and power in this coming of age story become the canvas for Indigo to sketch a new generation's concept of King's dream
