analyses of sexuality and homosexuality societies where men and women are exceptionally equal in access to social economic and cultural resources You can directly apply what you learn in Scandinavian Homosexualities of the cultural specificities of gender and sexuality in Scandinavian societies to your efforts to establish equality for same sex relationships within your own culture *Scandinavian Homosexualities* ,1998 Queer Sexualities in Early Film Shane Brown,2016-07-26 Since the publication of Vito Russo s seminal study *The Celluloid Closet* in 1981 much has been written about the representation of queer characters on screen Until now however relatively little attention has been paid to how queer sexualities were portrayed in films from the silent and early sound period By looking in detail at a succession of recently found films and revisiting others Shane Brown examines images of male male intimacy buddy relationships and romantic friendships in European and American films made prior to 1934 including *Different from the Others* and *All Quiet on the Western Front* He places these films within their socio political and scientific context and sheds new light on how they were intended to be viewed and how they were actually perceived In doing so Brown offers his readers a unique insight into a little known area of early cinema queer studies and social history LGBT Studies and Queer Theory Karen Lovaas,2013-05-13 Find out how the tension between LGBT studies and queer theory exists in the classroom politics communities and relationships *LGBT Studies and Queer Theory New Conflicts Collaborations and Contested Terrain* examines the similarities and differences between LGBT studies and queer theory and the uneasy relationship between the two in the academic world This unique book meets the challenge that queer theory presents to the study and politics of gay and lesbian studies with a collection of essays from leading academics who represent a variety of disciplines These original pieces place queer theory in social and historical contexts exploring the implications for social psychology religious studies communications sociology philosophy film studies and women s studies The book s contributors address queer theory s connections to a wide range of issues including the development of capitalism the evolution of the gay and lesbian movement and the study of bisexuality and gender Many scholars working in gay and lesbian studies still question the intellectual and political value of queer theory As a result queer theory has often been concentrated in the humanities while gay and lesbian studies are concentrated in the social sciences and history But this has begun to change in the past 10 15 years as documented by the 12 essays presented in *LGBT Studies and Queer Theory New Conflicts Collaborations and Contested Terrain* *LGBT Studies and Queer Theory New Conflicts Collaborations and Contested Terrain* includes historical notes on LGBT studies and queer theory some continuing tensions between LGBT studies and queer theory doubts about whether queer theory can lead to social change an analysis of the current state of proto fields of LGBT studies and queer studies in religion concerns that queer theory s erasure of identity feeds into late capitalism an analysis of variability in social psychologists studies of anti homosexual prejudice an exploration of the commodification of queer identities in independent cinema how and why the category of bisexuality has been marginalized a historical review and assessment of recent bisexual theory a case study of Provincetown Massachusetts an

investigation of the interarticulation of race ethnicity and gender a case study of the struggle to introduce LGBT studies in the curriculum at West Chester University and much more LGBT Studies and Queer Theory New Conflicts Collaborations and Contested Terrain is an essential read for researchers academics and practitioners involved in exploring multifaceted aspects of LGBT Studies and Queer Theory and their points of convergence and divergence Current Issues in Lesbian, Gay, Bisexual, and Transgender Health Jay Harcourt, 2013-04-11 Learn what resources are needed for lesser recognized LGBT health issues Most literature that explores LGBT health issues concentrates on HIV AIDS while leaving research studies on other vital issues lacking Current Issues in Lesbian Gay Bisexual and Transgender Health addresses this inadequacy by presenting a broad range of LGBT health issues from an interdisciplinary and mixed method perspective Leading experts present both quantitative and qualitative descriptions of health issues among various population groups focusing on those topics poorly represented in present day literature This book is a strong start to fill in the blanks about unrealized health issues of LGBT individuals and offers insights into the resources needed to address them Methods to assess sexual orientation and gender identity are not normally found in most population based research Because of the diversity within the relatively small LGBT population research has been forced to generalize making it less likely to effectively contribute to quality health issue data for these individuals The research presented in Current Issues in Lesbian Gay Bisexual and Transgender Health takes particular care to specify how the orientation and sexual identity of study participants was measured This book carefully mines previously unrevealed health disparities among LGBT populations across a broad spectrum of diseases beyond the standard focus on HIV AIDS The most current and important studies are presented including rare research on transgender health issues The chapters are extensively referenced and several include figures and tables to clarify and enhance understanding of the information The wide range of topics in Current Issues in Lesbian Gay Bisexual and Transgender Health include the inclusion of sexual orientation questions in research studies comparison of mental health issues between women of different sexual orientations mental health issues among men of different sexual orientations and HIV status in Australia the impact of sexual identity distress and social support in GLBT youth issues transgender youth health issues female to male FTM transsexuals experiences accessing health care research on LBT domestic violence survivors health needs of male to female MTF transgenders of color Current Issues in Lesbian Gay Bisexual and Transgender Health is crucial thought provoking reading for researchers working in LGBT health public health professionals working in community health and LGBT health policymakers advocates public health and community health faculty and students interested in LGBT health issues **Eclectic Views on Gay Male Pornography** Todd Morrison, 2013-11-26 A unique multifaceted look at the meaning and the specifics of gay male pornography Open any gay lifestyle magazine even the serious ones or go to any gay bar and you re likely to encounter something related to pornography be it an image of a porn superstar or advertisements for pornographic magazines DVDs calendars etc Eclectic

Views on Gay Male Pornography Pornucopia examines this phenomenon with a series of provocative essays in which experts in history law media studies and psychology as well as laypeople and gay porn insiders explore the complex world of male pornography and the various ways in which it has permeated gay culture from the 1970s until today This first of its kind book examines the phenomenon of self writing and performance for gay men in the last century specifically looking at the lives of modern day performance artist Tim Miller who has received national recognition for his one man shows portraying his struggles as a gay man Wakefield Poole born 1936 the first producer of gay pornography Bijou Boys in the Sand in the era accompanying the emergence of the gay rights movement gay adult film icon Scott Spunk O Hara born 1961 and Aaron Lawrence born 1971 who worked as a gay escort actor and producer director of his own sexually explicit amateur videos In this groundbreaking analysis of gay men s relationship with pornography you ll also learn about gay pornography and the messages it carries about intimacy body image and hegemonic masculinity representations of ethnicity in gay pornography gay pornography and safer sex gay pornography and censorship viewers perceptions of gay pornography gay pornography and internalized homophobia misogyny and body fascism changes in the way gay pornography is produced and performed from the 1970s through the 1990s the meaning of the recurring settings in American gay pornographic videos prison the military and other all male environments and recurring themes leather S M dissatisfaction with heterosexual life initiation into gay life etc In addition Eclectic Views on Gay Male Pornography presents two fascinating chapters about the case of Little Sisters Book and Art Emporium in Vancouver In this landmark case the Canadian Supreme Court was asked to determine whether gay male pornography violated the sex equality protections guaranteed by the Canadian Charter of Rights and Freedoms The court also examined the way that Canada Customs treats international shipments to gay and lesbian bookstores In addition the book provides a revealing insider s perspective on the gay adult video industry that contrasts the workaday reality of making porn with the glamorous mythology of the skin trade

Sinners and Citizens Jens Rydström, 2003-11-15 Sinners and Citizens explores how sexual habits changed in Sweden during its development from an agrarian society into a modern welfare state Jens Rydström examines the history of homosexuality and bestiality in that country to consider why these sexual practices have been so closely linked in virtually all Western societies He limns sharply the distinctive experience of rural life showing that to regularly witness farm animals stirred passions and sparked ideas especially among young farmhands Based on medical journals psychiatric reports and court records from the period as well as testimonies from men in diaries letters and interviews Sinners and Citizens reveals that bestiality was once a dreaded crime in Sweden But in time mention of the practice disappeared completely from legal and medical debates This Rydström contends is because models of penetrative sodomy shifted from bestiality to homosexuality as Sweden transformed from a rural society into a more urban one As the

nation's economy and culture became less identified with the countryside so too did its idea of deviant sexual behavior

Homosexuality in French History and Culture Jeffrey Merrick, Michael Sibalis, 2013-09-13 Deconstruct changing representations of homosexuality with this important new work of cultural criticism *Homosexuality in French History and Culture* explores episodes patterns and images of same sex attraction in France from the sixteenth to the twenty first century from the essays of Michel de Montaigne to pride parades in contemporary Paris This groundbreaking book documents the ways homosexuality has been named experienced regulated understood and imagined During these centuries homosexuality has been stigmatized as a sin crime or disease and denounced as a threat to social order and national identity Yet the rhetoric of condemnation has always co existed with the reality of toleration This groundbreaking collection analyzes the ways in which persecutions as well as differences within minority sexual subcultures have highlighted stereotypes and anxieties about class and age differences gendered roles and separatism *Homosexuality in French History and Culture* offers historical and literary studies based on a wide variety of sources including novels plays and poetry gossip and satires police reports medical texts travel literature newspapers and periodicals memoirs *Homosexuality in French History and Culture* combines fresh creative re interpretation of familiar texts with exciting new explorations of neglected historical episodes and cultures It is a landmark of meticulous scholarship and rigorous theoretical analysis and a vital resource for scholars of queer theory French history and culture and literary criticism
