A Pastor's Highways on the Way to the New Jerusalem Arthur Jarrell Tankersley, 2021-10-29 David Brooks wrote in *The Second Mountain* A pilgrimage is a journey undertaken in response to a story My life story has been lived in response to God's story revealed in the Bible This book is about the highways I have traveled in obedience to the Voice of the Holy breaking into my successes and failures desires and doubts and leading me by the power of grace in ever merciful and transforming ways If you are drawn to my story it is because the same Voice is calling you to share the adventure of a lifetime in following Jesus as he set his face to go up to Jerusalem Through my story may you hear Aslan's Christ's invitation Come further in Come further up This story travels by way of the highways to Zion Ps 84 5 7 Those highways become deeply paved in the hearts and minds of those who work for the healing of the world and who bring the blessings of the reign of God to barren dry and thirsty lands

Two Women Two Roads One Future Rhonda Denise Johnson, 2019-11-12 Chloe doesn't believe in coincidences so when strange things keep happening she seeks the help of a Candomblé priestess to find out what's what Oya the Orisha of the wind takes her through time and space from 21st century Los Angeles to 19th century Virginia where she and her ancestor Ayodele a slave on a tobacco plantation struggle to be more than is expected of them as women and African Americans

Afterbirth Highway K. D. Hessler, 2014-08-11 Steve is screwed The mountains of central Pennsylvania surround him as he stares helplessly at the old Volare oozing oil onto the roadbed of the desolate highway Confused and disgusted Steve laments that this is merely another thorn in the side of this contemptuous day which began when he called it quits with his long time girlfriend The relief he had been experiencing only moments ago by being hours away from her have been replaced with uneasy concern because he realizes he's also hours away from his desired destination He is stranded but he is not alone The black hitchhiker Steve had picked up earlier is quietly studying him Due to Steve's selfish and cynical punker attitude the two didn't hit it off from the moment they met and this is why Calvin is having trouble deciding on whether to hang around with Steve until help arrives or to ditch him entirely and resume hitching After all they'd both probably be better off without one another However what the two strangers aren't aware of is that the events over the next few hours will impact their lives with such profundity that they won't be able to escape the respect and bond which results between them Only the cruel bitter reality of the world can break those chains and unfortunately it eventually does
