**David Detmer**

## **Scattershot 1st Edition:**

**Scattershot** David Lovelace, 2008-09-04 The Glass Castle meets An Unquiet Mind in a mesmerizing loving memoir about growing up in a family plagued by bipolar disorder Scattershot is David Lovelace's poignant humorous and vivid account of bipolar disorder's effects on his family and his gripping exploits as he spent his life running from and finally learning to embrace the madness imprinted on his genes Four out of five people in David Lovelace's immediate family have experienced bipolar disorder including David himself In 1986 his father his brother and David himself were all committed in quick succession Only his sister has escaped the disease A coming of age story punctuated by truly harrowing experiences this devastating and empathetic portrait of the Lovelace family strips away the shame associated with bipolar disorder a disease that affects approximately 5.7 million adult Americans and celebrates the profound creative gifts that come with it

**Scattershot** Richard Goodwin, 2011-06-06 Fed up with low paying menial jobs that infringe on his boozy loafing lifestyle Wicker sets off on a road trip to Las Vegas where the drinks are free the slots are loose and a megajackpot could solve his problems forever On his pilgrimage he finds exactly what he wasn't looking for in Edna a wayward geriatric with an agenda of her own Scattershot is a weird wild darkly comic first novel that is not to be missed **Scattershot** Bernie

Taupin, 2023-09-12 In this New York Times bestseller experience the evocative clear-eyed and revealing memoir by Bernie Taupin the lyrical master and long time collaborator of Elton John I loved writing I loved chronicling life and every moment I was cogent sober or blitzed I was forever feeding off my surroundings making copious notes as ammunition for future compositions The thing is good bad or indifferent I never stopped writing it was as addictive as any drug This is the memoir music fans have been waiting for Half of one of the greatest creative partnerships in popular music Bernie Taupin is the man who wrote the lyrics for Elton John who conceived the ideas that spawned countless hits and sold millions and millions of records Together they were a duo a unit an immovable object Their extraordinary half century and counting creative relationship has been chronicled in biopics like 2019's Rocketman and even John's own autobiography Me But Taupin a famously private person has kept his own account of their adventures close to his chest until now Written with honesty and candor Scattershot allows the reader to witness events unfolding from Taupin's singular perspective sometimes front and center sometimes from the edge yet always described vibrantly with an infectious energy that only a vivid songwriter's prose could offer From his childhood in the East Midlands of England whose imagination was sparked and forever informed by the distinctly American mythopoetics of country music and cowboy culture to the glittering star studded fishbowl of 70s and 80s Beverly Hills Scattershot is simultaneously a Tom Jones like picaresque journey across a landscape of unforgettable characters as well as a striking first hand account of a creative era like no other and one man's experience at the core of it An exciting multi decade whirlwind told in a non linear yet grounded narrative Scattershot whizzes around the world as we ride shotgun with Bernie on his extraordinary life We visit Los Angeles with him and Elton on the cusp of global fame We

spend time with him in Australia almost in residency at an infamous rock n roll hotel in an endless blizzard of drugs And we spend late late night hours with John Lennon with Bob Marley and hanging with Frank Sinatra And beyond the world of popular music we witness memorable encounters with writers like Graham Greene painters like Andy Warhol and Salvador Dali and scores of notable misfits miscreants eccentrics and geniuses known and unknown Even if they re not famous in their own right they are stars on the page and we discover how they inspired the indelible lyrics to songs such as Tiny Dancer Candle in the Wind Bennie and The Jets and so many more Unique and utterly compelling Scattershot will transport the reader across the decades and around the globe along the way meeting some of the greatest creative minds of the 20th century and into the vivid imaginings of one of music s most legendary lyricists *Tuco and the Scattershot World* Brian Brett,2015-09-04 The acclaimed author s memoir of life with an African grey parrot offers a thoughtful and generous celebration of minds and bodies different from our own Times Literary Supplement UK For thirty years Brian Brett shared his office and his life with Tuco a remarkable parrot given to asking questions such as Whaddya know and announcing Party time when guests showed up at Brett s farm Although Brett bought Tuco on a whim he gradually realized the enormous obligation he has to his pet learning that the parrot is far more complex than he thought In *Tuco and the Scattershot World* Brett not only chronicles his fascinating relationship with Tuco but uses it to explore the human tendency to other the world abusing birds landscapes and each other Brett sees in Tuco s otherness a mirror of his own experience contending with Kallman syndrome a rare genetic condition that made him the target of bullies and nurtured his affinity for winged creatures Brett s meditative digressions touch on topics ranging from the history of birds and dinosaurs to our concepts of knowledge language and intelligence and include commentary from Tuco himself By turns provocative and deeply moving *Tuco and the Scattershot World* is not a straight memoir it s something much more wondrously weird a view of the human predicament that is hilarious sobering and profound Globe Mail UK [Scatter Shot a wild western action adventure](#) C Lowry,2025-03-18 In the rugged lawless terrain of the American West where danger lurks behind every rock and loyalty is tested at gunpoint Scatter Shot unfolds a gripping tale of survival sacrifice and unyielding courage When Rip a hardened yet honorable cowboy discovers a sinister plot involving slave mines and ruthless outlaws he is thrust into a deadly game of cat and mouse Alongside his loyal companion Lou Maclin Rip must navigate treacherous canyons face down Miller s merciless gang and protect Joan the woman he loves from a fate worse than death As bullets fly and alliances shift the stakes rise higher than ever Gruman a man driven by both passion and recklessness becomes an unlikely ally in their fight for justice But in a land where trust is scarce and betrayal is deadly Rip must rely on his wits his grit and his unshakable resolve to bring peace to the valley Filled with heart pounding action unforgettable characters and the raw beauty of the Wild West Valley of Shadows is a timeless Western adventure that will keep you on the edge of your seat until the very last page Perfect for fans of Zane Grey Louis L Amour and classic tales of frontier justice this novel is a must read for anyone who loves stories of bravery love and

redemption under the vast unforgiving skies of the Old West Saddle up and dive into Scatter Shot a Western tale that will leave you breathless and longing for more

**The Blues Brothers** Daniel de Visé,2024-03-19 The story of the epic friendship between John Belushi and Dan Aykroyd the golden era of improv the early days of Saturday Night Live and the making of a comedic film classic that helped shape our popular culture They re not going to catch us Dan Aykroyd as Elwood Blues tells his brother Jake played by John Belushi We re on a mission from God So opens the musical action comedy The Blues Brothers which hit theaters on June 20 1980 Their scripted mission was to save a local Chicago orphanage But Aykroyd who conceived and wrote much of the film had a greater mission to honor the then seemingly forgotten tradition of rhythm and blues some of whose greatest artists Aretha Franklin James Brown John Lee Hooker Cab Calloway Ray Charles made the film as unforgettable as its wild car chases Much delayed and vastly over budget beset by mercurial and oft drugged out stars The Blues Brothers opened to outraged reviews However in the 44 years since it has been acknowledged a classic it has been inducted into the National Film Registry for its cultural significance even declared a Catholic classic by the Church itself and re aired thousands of times on television to huge worldwide audiences It is undeniably one of the most significant films of the twentieth century The story behind any classic is rich the saga behind The Blues Brothers as Daniel de Vis reveals is epic encompassing the colorful childhoods of Belushi and Aykroyd the comedic revolution sparked by Harvard s Lampoon and Chicago s Second City the birth and anecdote rich drug filled early years of Saturday Night Live where the Blues Brothers were born as an act amidst turmoil and rivalry and of course the indelible behind the scenes narrative of how the film was made scene by memorable scene Based on original research and dozens of interviews probing the memories of principals from director John Landis and producer Bob Weiss to Aykroyd himself The Blues Brothers illuminates an American masterpiece while vividly portraying the creative geniuses behind modern comedy

**Your Defiant Teen, First Edition** Russell A. Barkley,Arthur L. Robin,2008-02-02 When your teen s rebellious behavior crosses the line how can you reestablish your authority without getting caught in a power struggle Bestselling authors and distinguished psychologists Russell Barkley and Arthur Robin have each spent decades helping parents and kids resolve standoffs and repair their relationships Now they ve distilled their approach into a clinically proven self help program that can help you break through to your teen and rebuild trust Centered around 10 simple steps that lead to better behavior Your Defiant Teen provides practical guidelines for putting an end to the hostilities You ll learn realistic ways to foster mutual respect introduce cooperative problem solving and strengthen family relationships while giving your teen vital skills for becoming a mature independent adult

**Huxford's Old Book Value Guide** Bob Huxford,Sharon Huxford,1992 This totally new fourth edition is intended to be a companion volume Over 25 000 listings are included with current values More than just a price guide you ll also find scores of buyers listed by the type of subject matter they are looking for so it s a selling guide as well

**Collage of Myself** Matt Miller,2010-12-01 Collage of Myself presents a groundbreaking account of the creative story behind America s most

celebrated collection of poems In the first book length study of Walt Whitman s journals and manuscripts Matt Miller demonstrates that until approximately 1854 only a single year before the first publication of *Leaves of Grass* Whitman who once speculated that *Leaves* would be a novel or a play was unaware that his ambitions would assume the form of poetry at all *Collage of Myself* details Whitman s discovery of a remarkable new creative process that allowed him to transform a diverse array of texts into poems such as *Song of Myself* and *The Sleepers* Whitman embraced an art of fragments that encouraged him to cut and paste his lines into ever evolving forms based on what he called spinal ideas This approach to language Miller argues represents the first major use in the Western arts of the technique later know as collage an observation with significant ramifications for our reception of subsequent artists and writers Long before the modernists Whitman integrated found text and ready made language into a revolutionary formulation of artistic production that anticipates much of what is exciting about modern and postmodern art Using the Walt Whitman Archive s collection of digital images to study what were previously scattered and inaccessible manuscript pages Miller provides a breakthrough in our understanding of the great American literary icon     *Subject Catalog* Library of Congress,1982     **California. Court of Appeal (1st Appellate District). Records and Briefs** California (State).,     **State of Ridicule** Dan Sperrin,2025-04-29 A history of political satire in English literature from its Roman foundations to the present day Satire is a funny aggressive and largely oppositional literature which is typically created by people who refuse to participate in a given regime s perception of itself Although satire has always been a primary literature of state affairs and although it has always been used to intervene in ongoing discussions about political theory and practice there has been no attempt to examine this fascinating and unusual literature across the full chronological horizon In *State of Ridicule* Dan Sperrin provides the first ever *longue dur e* history of political satire in British literature He traces satire s many extended and discontinuous trajectories through time while also chronicling some of the most inflamed and challenging political contexts within which it has been written Sperrin begins by describing the Roman foundations and substructures of British satire paying particularly close attention to the core Roman canon Horace Persius and Juvenal He then proceeds chronologically populating the branches of satire s family tree with such figures as Chaucer Jonson Dryden Swift Pope and Dickens as well as a whole series of writers who are now largely forgotten Satire Sperrin shows can be a literature of explicit statements and overt provocation but it can also be notoriously indirect oblique suggestive and covert complicated by an author s anonymity or pseudonymity Sperrin meticulously analyses the references to transient political events that may mystify the contemporary reader He also presents vivid and intriguing pen portraits of the satirists themselves along the way Sperrin argues that if satire is to be contended with and reflected upon in all its provocative complexity and if it is to be seen as anything more than a literature of political vandalism then we must explore the full depth and intrigue of its past This book offers a new starting point for our intellectual and imaginative contact with an important and fascinating kind of literature     **How to Live in Detroit Without Being a Jackass** Aaron

Foley,2024-05-01 The definitive inside r s guide to living in one of America s most talked about and least understood cities With a wry sense of humor Detroit native Aaron Foley walks you through the most difficult questions about the Motor City offering seven simple rules for making it there Perfect for coastal transplants wary suburbanites unwitting gentrifiers or start up disruptors this recently updated guidebook offers insight and advice on everything from the glories of Vernors ginger ale to rehabbing a house to not sounding like an uninformed racist In twenty short chapters Foley walks you through How Detroiters do business The unofficial guide to enjoying Faygo How to be gay in Detroit How to raise a Detroit kid How to party in Detroit And more Both hilarious and insightful this no frills look at Motown is written for those who live there but also as Vanity Fair put it for anyone participating in contemporary global urbanization who would like to avoid behaving like a subjugating dick

*From Madness to Mental Health* Greg Eghigian,2009-12-10 *From Madness to Mental Health* neither glorifies nor denigrates the contributions of psychiatry clinical psychology and psychotherapy but rather considers how mental disorders have historically challenged the ways in which human beings have understood and valued their bodies minds and souls Greg Eghigian has compiled a unique anthology of readings from ancient times to the present that includes Hippocrates Julian of Norwich s Revelations of Divine Love penned in the 1390s Dorothea Dix Aaron T Beck Carl Rogers and others culled from religious texts clinical case studies memoirs academic lectures hospital and government records legal and medical treatises and art collections Incorporating historical experiences of medical practitioners and those deemed mentally ill *From Madness to Mental Health* also includes an updated bibliography of first person narratives on mental illness compiled by Gail A Hornstein

**Genesis in Japan** Thomas Dabbs,2013-10-01 *Genesis in Japan* rises from a journal of reflections that were collected by the author while teaching the Bible to Japanese university students in Tokyo It relates the diverse responses to the Bible that rebound subtly but forcefully back to the teacher from these students extraordinary responses in that they are simple pure ordinary and entirely disorienting Teaching and learning the Bible in Japan has led the author to another view of the Bible one that stands in stark contrast with the Bible in the Bible heavy culture that was the author s beginning at a small crossroads in central South Carolina

*Zinnophobia* David Detmer,2018-09-28 *Zinnophobia* offers an extended defense of the work of radical historian Howard Zinn author of the bestselling *A People s History of the United States* against his many critics It includes a discussion of the attempt to ban Zinn s book from Indiana classrooms a brief summary of Zinn s life and work an analysis of Zinn s theorizing about bias and objectivity in history and a detailed response to twenty five of Zinn s most hostile critics many of whom are or were eminent historians A major contribution to bringing Zinn s great contributions to even broader public attention and exposing features of intellectual and political culture that are of no little interest

Noam Chomsky **Back to the Basics of Teaching and Learning** David W. Jardine,2017-07-05 This book is about an ecological interpretive image of the basics Essays detailing everyday lived events in classroom life are presented to help readers see beneath the surface ordinariness of these events to uncover and examine the

underlying complex and contested meanings they contain Readers are invited to imagine what would happen to our understanding of teaching and learning if we stepped away from the image of basics as breakdown under which education labors today an image of fragmentation isolation and the consequent dispensing manipulation and control of the smallest simplest most meaningless bits and pieces of the living inheritances that are entrusted to teachers and learners in schools By involving readers in re thinking the idea of the basics in educational theory and practice this book offers a more generous rigorous difficult and pleasurable image of what this term might mean in the living work of teachers and learners This is a valuable text for practicing teachers and student teachers interested in re imagining what is basic to their work and the work of their students It also provides examples of interpretive inquiry that will be helpful for graduate students and scholars in the areas of curriculum teaching and learning who are interested in pursuing this form of research and writing The Second Edition is guided by the view that thinking the world together is a form of ecological thinking adds chapters that take up the ecological aspects of this vision the hermeneutic aspects and curricular aspects in the areas of mathematics reading and writing and social studies included also are chapters on child development information and communications technologies and more proposes a version of the basics that asks teachers to be public intellectuals who think about the world who think about the knowledge we have inherited and to which we are offering our students living breathing access

*A Companion to Aristophanes* Matthew C. Farmer, Jeremy B. Lefkowitz, 2024-03-19 Provides a comprehensive and systematic treatment of the life and work of Aristophanes *A Companion to Aristophanes* provides an invaluable set of foundational resources for undergraduates graduate students and scholars alike More than a basic reference text this innovative volume situates each of Aristophanes surviving plays within discussion of key themes relevant to the study of the Aristophanic corpus Throughout the Companion an international panel of contributors incorporates material culture and performance context offers methodological and theoretical insights into the study of Aristophanes demonstrates the relevance of Aristophanes to modern life and more Each chapter focused on a particular play is paired with a theme that is exemplified by that play such as gender sexuality religion ritual and satire With an emphasis on understanding Greek comedy and its ancient Athenian context the text includes approaches to Aristophanes through criticism performance translation and teaching to encourage and inform future work on Greek comedy Illustrating the vitality of contemporary engagement with one of the world's great literary figures this comprehensive volume Helps new readers and teachers of Aristophanes appreciate the broader importance of each play within the study of antiquity Offers sophisticated analyses of the Aristophanic corpus and its place in literary and cultural history Includes chapters focused on teaching Aristophanes including one emphasizing performance Provides detailed syllabi and lesson plans for integrating the material into high school and college curricula *A Companion to Aristophanes* is an essential resource for advanced students and instructors in Classics Ancient Literature Comparative Literature and Ancient Drama and Theater It is also a must have reference for academic scholars university libraries non

specialist Classicists and other literary critics researching ancient drama and sophisticated general readers interested in Aristophanes Greek drama classical Athens or the ancient Mediterranean world Larry McMurtry Tracy Daugherty, 2023-09-12 Pulitzer Prize Finalist Bonney MacDonald Award Winner for Outstanding Western Book A biography of the late Pulitzer Prize winning American novelist and screenwriter Larry McMurtry from New York Times bestselling author Tracy Daugherty In over forty books in a career that spanned over sixty years Larry McMurtry staked his claim as a superior chronicler of the American West and as the Great Plains keenest witness since Willa Cather and Wallace Stegner Larry McMurtry A Life traces his origins as one of the last American writers who had direct contact with this country's pioneer traditions It follows his astonishing career as bestselling novelist Pulitzer Prize winner author of the beloved Lonesome Dove Academy Award winning screenwriter public intellectual and passionate bookseller A sweeping and insightful look at a versatile one of a kind American writer this book is a must read for every Larry McMurtry fan **Forever Practice** Jim Nielson, 2025-06-26 A Practical Guide to the Career and Practice of Architecture Where will architecture take you Find answers in Forever Practice The Architect at Work a thoughtful and accessible book by author Jim Nielson FAIA Drawn from decades of experience and study this engaging new book immerses the reader in best practices and proven tools for success In 28 brisk chapters this book lends readers a glimpse of the architect in practice It instills confidence and purpose The author demystifies the profession crafting his narrative about licensure project management sustainability and so much more from the fodder of experience case studies and savvy Empowering readers to embrace their role or their future as a practitioner Forever Practice The Architect at Work Offers concrete steps for leading a collaborative team from project conception through completion Includes a wealth of insights and lessons learned to prepare readers for challenges in the field Features practice management tools and discussion topics for classroom and independent learning Addresses key professional standards including codes of conduct ethics and the standard of care Forever Practice The Architect at Work is perfect for architecture students enrolled in professional practice courses It is also ideal for early career professionals and seasoned practitioners seeking to deepen their understanding of practice management and design team leadership In this book Forever Practice The Architect at Work Jim Nielson FAIA undertakes the task of introducing the reader to those business skills an emerging architectural professional as well as a more seasoned professional needs to succeed over a long career It's all there plus additional resources to explore these topics more deeply After reading this book you'll want to keep it near your computer as a valued reference RK Stewart FAIA Hon FRAIC Hon JIA Hon AIA 2007 AIA National President I wish I had had Jim's book when I was in practice John S Reynolds FAIA Emeritus Professor Emeritus University of Oregon Co author Mechanical and Electrical Equipment for Buildings For years Jim has played an active role in the regulatory process governing the profession of architecture at the local and national level This book helps readers from aspiring architects to seasoned practitioners come to understand the general requirements of licensure and professional practice Harry M
