adventure and who expect it as confidently as men looked for a lucky coup at roulette in Frascati's day he seemed quite philosophically sure of his evening he must be the hero of one of those mysteries with three actors which constitute an opera ball and are known only to those who play a part in them for to young wives who come merely to say I have seen it to country people to inexperienced youths and to foreigners the opera house must on those nights be the palace of fatigue and dullness To these that black swarm slow and serried coming going winding turning returning mounting descending comparable only to ants on a pile of wood is no more intelligible than the Bourse to a Breton peasant who has never heard of the Grand livre
