Beyond the Pawpaw Trees Palmer Brown, 2011-10-18 It all began on a lavender blue day the kind of day when anything can happen It was on such a day that Anna Lavinia's father saw a double rainbow and went chasing after it And it is on such a day that she and her cat Strawberry set off on their journey beyond the walled garden where the pawpaw trees grow to a place where the buttercups bloom pink and the laws of gravity don't always apply Here Anna Lavinia will test her mother's advice Never believe what you see against her father's wise words Believe only what you see and just maybe she'll finally be able to use the mysterious silver key her father left behind when he went chasing after rainbows Beyond the Pawpaw Trees is a tour through a land as strange and wonderful as Oz filled with people as delightfully batty as any in Alice's looking glass It is a place to return to again and again beautifully brought to life in Palmer Brown's fanciful words and intricate sugar spun drawings

Alfred Ollivant's Bob, Son of Battle Alfred Ollivant, Lydia Davis, 2014-08-19 Bob Son of Battle is a sheepdog so canny and careful of his flock so deeply devoted to his master James Moore and so admired for his poise and wisdom by the residents of a small village in the rugged mountains of England's North Country that young though he is he is already known as Owd Bob In a recent contest Bob has proved himself a matchless sheepdog and if he wins the trophy two more times he'll be seen as equal to the legendary sheepdogs of yore But Bob has a real rival Red Wull with his docked tail and bristling yellow fur a ferocious creature just like his diminutive master Adam McAdam a lonely Scot estranged not only from his English neighbors but from his son David McAdam just can't stop belittling this strapping young man all the more so since David began courting Moore's beautiful daughter Maggie But what McAdam really wants is for his beloved Wullie to wrest the prize from Bob once and for all The story takes a darker turn when a troubling new threat to the local flocks emerges A dog has gone rogue sneaking out at night to feast on the flesh and blood of the sheep he is bound to

protect Again and again new sheep fall prey to this relentless predator again and again he slips away undetected This master hunter can only be among the boldest and sharpest of dogs Bob Son of Battle has long been a beloved classic of children s literature both in America and in England Here the celebrated author and translator Lydia Davis who first read and loved this exciting story as a child has rendered the challenging idioms of the original into fluent and graceful English of our day making this tale of rival dogs and rival families and the shadowy terrain between Good and Bad accessible and appealing to readers of all ages
