School at Home Theodore E. Wade, Dorothy N. Moore, Richard A. Bumstead, 1980 **Teach Your Own** John Holt, Pat Farenga, 2009-03-04 The classic and indispensable work on teaching children at home fully updated for today's new laws, new lifestyles and the growing new generation of homeschooling parents. Today more than one and a half million children are being taught at home by their own parents. No parent even considering homeschooling should be without this wise and unique reference. Rather than proposing that parents turn their homes into miniature schools, Holt and Farenga demonstrate how ordinary parents can help children grow as social, active learners. Chapters on living with children, serious play, children and work, and learning difficulties will fascinate and encourage parents and help them enjoy each homeschool day.
